The Board also expressed concern that the proper process was not followed. After discussion the following vote was taken: Motion made and seconded that the Board of Selectmen approve the placement and construction of a cobble curb located at 33 Waldron Street, and as shown in the photograph presented by William and Paige Rochford subject to the following conditions:

1. Certificate of Appropriateness from the Old and Historic District Commission.

2. The owners enter into a location agreement with the Town including an indemnification provision running to the Town along with a hold harmless provision.
