

**Marblehead Conservation Commission**  
**Meeting Minutes**  
**January 13, 2022**

The hearing was to be held remotely in accordance with Governor Baker's March 12, 2020 Order Superseding Certain Provisions of the Open Meeting Law, G.L. c.30A, section 18 and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place.

At 7:00 P.M., the scheduled time for the hearing, present were: Commission Members Brian Leclair, and Kate Melanson. Also present was Conservation Administrator and Town Engineer, Charlie Quigley. The other Commission members were unable to attend.

Note: The commission currently has five members. Per the MACC Handbook, section 4.1.2, most lawyers agree that a quorum is "...a majority of commissioners currently serving". The quorum for this meeting is therefore three members.

Due to the lack of quorum present, by the rule of necessity the two commission members present voted to continue all matters to the February 10 hearing without opening the hearings.
