1. 3 Gingerbread Hill

John Backman

This is a Public Hearing for:

Demolition of 1925 Construction of new single family residence to follow foot-print of existing on N, E, & S sides. Expansion towards West.

Issues discussed include:

- Owner commissioned a structural assessment by a professional engineer.
- Original design has been modified to address previous OHDC comments.
- Roof ridge height decreased.
- Number and size of windows has been reduced.
- An estimate of required structural repairs would exceed the assessed value of the house.
- Owner has done a substantial amount of research on the history and condition of the existing house.
- Owner has provided multiple views and renderings of the proposed house in context with existing structures.
- House is of minimal historic significance.
- House is not very close to a public way, so view of house is limited and distant.
- House is at edge of the District and not surrounded by well preserved historic homes.

Fred Erik-15 Beacon St.

- With the exception of Black Joe's Tavern, the neighborhood is a 'hodge podge' of styles.
- House is obscured from the street
- Feels that house fits with the neighborhood.

Robert Hausmen-9 Gingerbread Hill

- Contractors have made changes to nearly all properties in this area.
- Welcome change to this part of Gingerbread Hill.

Richard Farrell-50 Beacon St.

- In support of project.

It was moved, seconded, and voted (3-1) to grant a Certificate of Appropriateness with amendments/restrictions for: Demolition of existing house only-proposed new design to be reviewed at a later date.

2. 13 Waldron St.

Paul Quigley (Represented by Derek Bloom)

This is an application hearing for: Construct one zoning-compliant parking space (exceeding 9' x 20') of pea stone, one bluestone path, relocate fence line-New fence to match existing.

Issues discussed include:

- Pushing fence back is appropriate.
- Large area of pea stone is not appropriate

It was moved, seconded, and voted (4-0) that estates are materially affected and to call a Public Hearing.

3. 14 Orne St.

Thomas Lemons

This is an application hearing for: Restore foundation per report by Structures North Consulting Engineers involving:

1. Repair 2 cracked areas in East foundation adjacent to side walk.
2. Repair loose stones on North foundation at Northeast corner.

It was moved, seconded, and voted (4-0) that no estates are materially affected and to grant a Certificate of Appropriateness for work as proposed but with restrictions: Brick shall be water struck to match existing.

4. 3 Beacon St.

Ralph Anderson

This is an application hearing for: Replace two sections of rubber roof, one with rubber to match existing, and one with shingles to match other existing buildings. It

was moved, seconded, and voted (4-0) that no estates are materially affected and to grant a Certificate of Appropriateness for: All work as proposed.

5. 218 Washington St.

Ramona Olson

This is an application hearing for: Roof repair and/or replacement.

It was moved, seconded, and voted (4-0) that no estates are materially affected and to grant a Certificate of Appropriateness for: All work as proposed.

6. 1 Bradford St.

Maureen Murphy

This is an application hearing for:

1. Replace bow window with bay window, same size.
2. Replace casement windows, 2nd floor.

Issues discussed include: Application amended to only include work on front of

house which is not visible from public view.

It was moved, seconded, and voted (4-0) that the proposed work is not under the purview of the OHDC.

7. 21 Beacon St.

Emily Spell & Michael Lauf

This is an application hearing for:

Replace two windows on back side of house. Existing windows are 7 ½' x 4'.

Proposed windows are 6' x 4' vinyl clad and low E glass due to Eastern exposure and proximity to water. Same shape being used. Picture window flanked by double hung on either side.

It was moved, seconded, and voted (3-1) that no estates are materially affected and to grant a Certificate of Appropriateness for all work as proposed.

8. 9 Tucker St.
