Minutes for March 19, 2019

Present constituting a quorum: Sally Sands, Gary Amberik, John Kelley, Cheryl Boots

1. 45 Beacon Street
Jonathan D. Putnam

This is a new application for:

- Roof, dormers, windows

Issues discussed include:

- Exhibit A – Revised plans dated 3/19/19
- Exhibit B – Historic Photo
- Applicant proposes to demolish an existing roof at the rear of the house and construct two new dormers and a wood deck at the rear of the house with new exterior doors and windows as shown. Windows will be wood, simulated divided light, black spacer bars, 5/8" putty mold. Exterior trim will be painted wood. New roof to be asphalt to match rest of house.
- OHDC questioned the vertical board cladding on the dormer, along with the fact that the roof extends to the peak. Applicant agreed to change the cladding to cedar shingles and bring the top down off the peak of the roof to reduce the prominence of the dormer
- OHDC questioned the square proportions of the dormer windows. Applicant agreed to change to two 8 light windows at each dormer. Minimum space between windows to be 12"

It was moved, seconded, and voted (4-0) that no estates are materially affected and to Grant (4-0) a Certificate of Appropriateness for all work as proposed with the following amendments: Dormer cladding to be wood shingles in lieu of vertical board. Dormer peak to be moved down from main roof ridge approx. 18". Dormer windows to be revised to two-8 light windows spaced 12" apart.
