The Chair called the meeting of April 8, 2024 to order.

FY25 BUDGET. A motion was made and seconded to reduce Other General Government by \$250,000 to \$21,198,507. This motion will reduce funding OPEB line item by \$250,000 to make funds available for other appropriations. This reduction will not have a material impact on the OPEB liability in the short term. The Board discussed further. Mr. Murray asked where these funds would specifically be going, and the Town Administrator noted they would be available for the school Budget. Other Board members expressed their concern regarding this request and the additional request for funding from the schools. 4 voted in favor, Mr. Murray voted opposed.

The Board continued their meeting attending the Finance Committee Warrant Hearing.

Motion made and seconded to adjourn at 11:20 p.m. All in favor.
