

## **Harbors and Waters Board Meeting via Zoom**

November 3, 2020

Present: Cuzner, Michaud, Breen, Doub, Gregory, Smith, and Dragonas.

The minutes of the last meeting were approved.

Harbormaster Report:

1. Docks and gangways are being stored.
2. State St. bathrooms are closed and winterized
3. Necessary maintenance is being performed on the Stacey Clark, Hornet, and Safe boats.
4. Harbormaster met with state officials from Marine Fisheries Division to discuss improvements at Little Harbor including the boat ramp. Issues discussed included options for parking and public access. They also looked at future improvements at Parker's boatyard.

Budget:

5. Harbormaster and Board discussed the plan for completing the FY2022 budget.
6. Possible revenue increases included 50K for excise taxes.
7. The budget for capital projects will be discussed at the Board's December meeting.
8. The possible plan for a future Marblehead Community Boating Center at Parker's boatyard was discussed. The interested parties will continue discussions with the Harbormaster.

Meeting was adjourned at 8:35 pm.
