BE PART OF MARBLEHEAD'S VOLUNTEER CORPS!

The Town of Marblehead and Council of Aging have come together with Town non-profits and volunteers with a mission to help our community during the COVID-19 pandemic. Our goal is to bring people together to help one another in this time of need. We will all need help in different ways as we face the challenges ahead and fortunately there are many people in this kind community who are eager to help. Sign-up now at www.mhdproud.com.

Help spread the word! We're all in this together!
