MARBLEHEAD CASE REPORTING

Case Count

Confirmed cases (recent guidance categorizes all confirmed or presumptive positive cases as positive): **328**

(November 5 count was 302)

Active cases: **26**

Confirmed deaths: **30**

The Marblehead Health Department will make weekly updates on Friday, of confirmed cases, November 13, 2020.

Marblehead Health Department (MHD) data regarding case counts come directly from Massachusetts Department of Public Health (MDPH) and their surveillance system (MAVEN). We use the language and terminology per the Centers for Disease Control and Prevention (CDC) guidance, and *recent guidance categorizes all confirmed or presumptive positive cases as positive*.

40.24% of the 328 confirmed cases and 96.667% of the reported coronavirus-related death were either residents or staff members at one of Marblehead's long term care facility.

We would like to extend our deepest sympathies and condolences to the families that are grieving these losses.

Masks are required at all times when in a public location whether indoors or outdoors.

Please help prevent the spread of COVID-19 through Social Distancing, Staying at Home and wearing a Facial Covering.

- **All travelers** arriving to Massachusetts – including returning residents, who do not meet an exemption, are required to self-quarantine for 14 days or produce a negative COVID-19 test result, except travelers from Hawaii, Maine, New Hampshire, New York, Vermont, Washington, and Washington D.C. If you had close contact with a person who has been diagnosed with COVID-19, get tested, self-quarantine (stay home) and monitor your health for symptoms of COVID-19 for 14 days after your last contact (even if you have a negative test result).
- Please call Marblehead Health Department to Report contact with a positive case

Weekly Case report will now come out on Friday morning after 9am, to be more in line with the state
