- All residents are advised to wash their hands frequently for at least 20 seconds with soapy water
- All residents are advised to be vigilant, monitor for symptoms and stay home if you feel sick

Learn where you will fit into the COVID-19 vaccine distribution timeline.

The Baker-Polito Administration and the Department of Public Health developed a vaccine distribution timeline after extensive consultation with the [Massachusetts Vaccine Advisory Group](#), made up of leaders from health care, the faith community, community organizations, local government, and others.

The timeline reflects several priorities: protecting our most vulnerable, maintaining health care system capacity, and addressing inequities in health care access and COVID-19 burden.

Vaccine distribution in MA will occur in a phased approach:

This list will be updated Tuesdays and Thursdays by 5pm in response to questions submitted via COVID-19-Vaccine-Plan-MA@mass.gov
