MARBLEHEAD CASE REPORTING

Case Count

Confirmed cases (recent guidance categorizes all confirmed or presumptive positive cases as positive): **299**

(Monday's count was 292)

Active cases: **10**

Confirmed deaths: **30**

The Average Daily Case Rate per 100,000 is now 4.09 keeping us a Yellow community

Yellow: Average daily case rate over the last 14 days: 4-8 cases per 100,000 population

The Marblehead Health Department will make weekly updates on Thursdays of confirmed cases, October 29, 2020.

Marblehead Health Department (MHD) data regarding case counts come directly from Massachusetts Department of Public Health (MDPH) and their surveillance system (MAVEN). We use the language and terminology per the Centers for Disease Control and Prevention (CDC) guidance, and *recent guidance categorizes all confirmed or presumptive positive cases as positive*.

44.15% of the 299 confirmed cases and 96.667% of the reported coronavirus-related death were either residents or staff members at one of Marblehead's long term care facility.

We would like to extend our deepest sympathies and condolences to the families that are grieving these losses.

Please help prevent the spread of COVID-19 through Social Distancing, Staying at Home and wearing a Facial Covering.

- **All travelers arriving to Massachusetts – including returning residents, who do not meet an exemption, are required to self-quarantine for 14 days or produce a negative COVID-19 test result, except travelers from California, Connecticut, Hawaii, Maine, New Hampshire, New Jersey, New York, Vermont, Washington, and Washington D.C. If you had close contact with a person who has been diagnosed with COVID-19, get tested, self-quarantine (stay home) and monitor your health for symptoms of COVID-19 for 14 days after your last contact (even if you have a negative test result).**
- **Please call Marblehead Health Department to Report contact with a positive case**

Weekly Case report will now come out on Thursday after 4pm, to be more in line with the state
