- Applicant proposes to replace front walk (flagstones set in cement) and front step (brick with concrete) with red clay waterstruck brick walk and red clay waterstruck brick with bluestone edges
- Proposed window and door replacement was discussed at previous hearing at which time the Commission had no objections

It was moved, seconded, and voted (3-0) that no estates are materially affected and to Grant (3-0) a Certificate of Appropriateness for all work as proposed.

3. 4 High Street**Robert Bragdon****This is a new application for:**

- Windows

Issues discussed include:

- Applicant proposes to replace five double-hung windows with all wood, single pane, true divided lite windows in like kind

It was moved, seconded, and voted (3-0) that no estates are materially affected and to Grant (3-0) a Certificate of Appropriateness for all work as proposed.

4. 100 Elm Street

William Rochford

This is a new application for:

- Front steps, fence

Issues discussed include:

- Applicant proposes to replace existing red clay brick front door steps with granite slab steps
- Applicant proposes to install new wood spindle fences with gates at either side of house
- Due to lack of site plan showing fence locations and details about gates and hardware, the commission ruled only on the proposed steps

It was moved, seconded, and voted (3-0) that no estates are materially affected and to Grant (3-0) a Certificate of Appropriateness for all work as proposed with amendments for reasons noted: Approval for steps only.

5. 42 Orne Street

Roy Brindamour

Issues discussed include:

- Applicant proposes to install new fence

It was moved, seconded, and voted (3-0) that no estates are materially affected and to Grant (3-0) a Certificate of Appropriateness for all work as proposed.

9. 1 Front Street

Boston Yacht Club

This is a new application for:

- **Windows**

Issues discussed include:

- Applicant proposes to replace approximately 80+ windows
- Existing windows are wood, single-pane, double-hung
- Existing window casings are wood with backband mouldings

- Applicant requests a fiberglass, SDL, insert replacement window and composite window trim due to ocean exposure and energy efficiency
- Commission discussed support for SDL provided they have proper width muntins and black or charcoal spacer bars, but reserved judgement about fiberglass material
- Commission discussed reservations about insert vs. full-frame replacement and requested applicant confirm exact changes in dimension between existing and proposed insert replacement

It was moved, seconded, and voted (3-0) that no estates are materially affected and to continue the proceedings to 05/02/2017, vote (3-0).
