WATER DEPARTMENT TO CONDUCT ANNUAL HYDRANT FLUSHING

The Water Department will conduct its annual water main flushing program

May 08, 2022 to May 13, 2022

Flushing starts on May 08, 2022 at 11:00 p.m. and will be conducted from 12:00 a.m. to 7:00 a.m. each day. Work will begin at the Swampscott and Salem Borders and travel to the downtown area. Thursday night, May 12, 2022, flow tests will be completed in various areas of Town.

During this week, it is possible that some properties may experience discolored water early in the morning. If you should encounter this, please run cold water only in the kitchen sink until the water runs clear (*approximately 20 minutes*). Please refrain from using the hot water or doing laundry until the discoloration is gone.

Contact the Marblehead Water Department 781-631-0102 if the problem persists.
