**Subject:** Holly & Jason Matulewicz- Request for Special Permit

REC'D  
SEP 28  
RECEIVED  
SEP 28 2021

To the Marblehead Board of Appeals,

This letter is to express our support for the zoning variance request (Special Permit) by Holly & Jason Matulewicz (41 Devereux St).

The proposed plan for the construction of a deck is in keeping with the existing neighborhood. We believe that the entire project has been planned with care and neighborly consideration, and will aid in increasing property values in the immediate area.

Best regards,
