1	Access to the harbor is limited to yacht club launch service and Jordan's new water taxi service. All of which is great, except that there are no moorings available without a 20 year wait. Marblehead is supposedly a sailing town and the Town Class is growing every year with no moorings for the new sailors. The Townie trawl at the head of the harbor is ideal as it uses water that is generally not accessible by launch i.e. shin deep at low tide. A second Townie trawl would impact no current user of the harbor, but would permit continued expansion of the Town Class for sailors.	5/17/2022 7:40 PM
2	I'd like to have a small motorized vessel or sail boat that can be stored in water at a dock.	5/16/2022 9:34 PM

5	Wave damage to boats and shore facilities from storms	6/8/2022 6:03 PM
6	Over crowding of an already densely used resource	6/8/2022 3:41 PM
7	The decision by a board other than Harbor & Water to lease the SUP business has created dangerous overcrowding in the harbor by people who are not sailors/boaters, don't know rules of the road and are generally unaware. Not to mention the kids among them. The harbor is past its safe capacity and steps should now be taken to insure things don't get worse. Strongly advise ceasing the Town involvement with the SUP. Of course, people will continue to bring their own boards. Also, if Parks & Rec is responsible for the launching ramp, it has long since needed to be improved with some new cleats and attention to the structure itself.	6/8/2022 3:28 PM

1	Beautiful. Wish there was more opportunity for public access to the water : boat rentals, etc.	7/6/2022 12:03 AM
2	Lack of public hoist hinders sailboat access to harbor. Not all in town are yacht club members. Riverhead launch is extremely tide-dependent. Can another public small boat launch be made available?	6/21/2022 6:30 AM
3	Good	6/11/2022 6:38 PM
4	Beautiful but exposed	6/10/2022 9:41 PM
5	Magnificent	6/10/2022 2:35 PM
6	One of the best places in the world!!! But we should prioritize moorings for Marblehead residents- not out of towners	6/10/2022 12:17 PM
7	Not enough is done for the protection of the local flora and fauna... There should be some kind of regulations to preserve the ecology of the harbor. Water quality as well as air quality. There gets to be too much boat exhaust make air quality poor. Trash and fuel from boats and the boatyards harming water quality. Noise pollution is also starting to get out of hand with the canon-fire from the yacht clubs disturbing the peace for people and wildlife.	6/10/2022 11:53 AM
8	Home away from Home.	6/10/2022 8:20 AM
9	Love Marblehead Harbor, but...unnecessarily vulnerable to Nor'easters damaging our moored sailboat. Need a breakwater which every other harbor in the world no matter how remote already has. It is crazy we don't have a breakwater to protect us from Nor'easters.	6/10/2022 6:05 AM
10	Beautiful location. Crowded. Important to quality of life in Marblehead.	6/9/2022 3:27 PM
11	New harbormaster is doing a very good job! However we are losing more and more time on the water due to bad weather. More access for visiting yachts are need (big improvements already though!) Better control of boats that are not being used (mooring holders) and these mooring should be pulled for people waiting. This is hard to regulate I know.	6/9/2022 2:37 PM
12	a unique beautiful public resource	6/9/2022 12:31 PM
13	Overall I love the harbor but would like to see it protected for the future	6/9/2022 9:50 AM
14	A unique and valuable resource that should be preserved by reasonable effort if a real threat should arise in the future.	6/9/2022 9:42 AM
15	it is fine, however there are many public ways that lead to the harbor that are being taken over by existing homeowners or by not maintaining them for public use. The SUP is taking over 1/2 half of a public beach	6/9/2022 8:10 AM
16	Too many dead or half dead moorings that people are just holding onto without using them. This makes the harbor die too. So no new families can get moorings. 20+ year waiting list is a lifetime.	6/9/2022 7:04 AM
17	Congested	6/8/2022 9:38 PM
18	Prettiest harbor in US and abroad	6/8/2022 7:30 PM
19	stable, but not out of danger. An extremely valuable Asset that is hard to manage	6/8/2022 6:20 PM
20	Beautiful, limited access, vulnerable to NE storms	6/8/2022 6:03 PM
21	Safety concerns about paddle board users unfamiliarity with marine safety practices	6/8/2022 5:53 PM
22	Crowded	6/8/2022 4:40 PM

Marblehead Harbor Plan

23	Needs protection from Nor'easters	6/8/2022 4:39 PM
24	I love the harbor. I still think we should have allowed Tedd Hood to build a marina down by Riverhead years ago. I still think the town could benefit from that sort of development.	6/8/2022 4:31 PM
25	Thoughtful stewardship via harbors & waters board has partnered w private & public clubs, waterfront homeowners and businesses to manage expanded needs & wants from SUP rentals to 4th of July fireworks for all	6/8/2022 3:41 PM
26	It is both an historic and natural treasure and should be left as is. It should be regulated ONLY by those who know boats and rules-of-the-road and not be impinged by those with other motivations.	6/8/2022 3:28 PM
27	It is a grouping of disparate entities that rarely work together and that could be improved	6/8/2022 3:04 PM
28	Very much closed off to new residents and visitors. Virtually no availability moorings, public docks, slips, etc. In order to gain access to the Harbor you must join a Yacht Club. Waiting list for moorings is too long, and ownership of a mooring should be limited to one per household (residents only) Far too many "older residents" have ownership of multiple moorings at the expense of newer residents. Needs to be addressed as there is no other means to store a boat in the harbor as a resident.	6/8/2022 2:40 PM
29	It's great, except in a Nor'easter. It would be nice if you didn't need to join a yacht club to get to your boat. Perhaps a public dinghy dock.	6/8/2022 2:23 PM
30	Fine	6/8/2022 2:14 PM
31	It's a gorgeous Harbor with a variety of parks right alongside it. This makes it easy for everyone to enjoy views and spending time there. There are many access points to the water.	6/8/2022 2:11 PM
32	It's a fantastic, amazing spot! There are numerous derelict areas though that require maintenance and cleanup.	6/8/2022 2:04 PM
33	Needs work	6/8/2022 1:40 PM
34	Beautiful. Very exposed to NE. Too few public access points.	6/8/2022 1:38 PM
35	beautiful and crowded	6/8/2022 1:37 PM
36	wonderful but very concerned about water quality for in water sports.	6/8/2022 1:37 PM
37	open roadstead to NE weather	6/8/2022 1:34 PM
38	Tough North Easterlies do a lot or damage	6/8/2022 1:32 PM
39	One of the most beautiful harbors in the North East. Could be more welcome to visiting boaters and yachtsmen.	6/8/2022 1:26 PM
40	Beautiful	6/8/2022 1:15 PM
41	Very nice, functional - miss the lack of boat yards on the water - love the town dock and swimming dock	6/8/2022 1:08 PM
42	Commercial fishermen must have better facilities to survive and keep Marblehead's fishing heritage alive.	6/8/2022 12:59 PM
43	Beautiful	6/8/2022 12:56 PM
44	Lack of public access to the water. Too many center cockpit motor boats	6/6/2022 8:22 AM
45	Positive but vulnerable	6/6/2022 6:58 AM
46	Too hard to access. Misuse of shallow area. Should add more trawls for Town Class sailboats	6/3/2022 7:40 PM
47	Exclusive, inaccessible unless a member of a yacht club, sailing history is dying, moorings moving to power only, no protection of sailing, fake mooring partnerships allowed to continue despite knowledge of falsity.	6/3/2022 9:10 AM
48	It is nearly impossible for residents as well as non-residents to get a mooring. The trawl at the Causeway end of the harbor is a great alternative - and it has been an enormous asset for Marblehead's Townie fleet - the fastest growing sailing fleet on the east coast! Would it be possible to place another trawl? It could utilize space that is too shallow for other boats - it	5/31/2022 1:43 PM

Marblehead Harbor Plan

would be a great benefit. Townies have a great deal of history in Marblehead, they are a very active fleet, they are affordable - and they need more trawl space.

49	Beautiful but inaccessible unless you belong to yacht club.	5/28/2022 4:30 PM
50	Great asset for the town. Would like to see more public access for day sail boat launching (years ago Parker's was used to launch daysailers)	5/27/2022 1:50 PM
51	One of the more beautiful harbors in this area. The only drawback is that it's open to north east storms.	5/27/2022 2:12 AM
52	Severe lack of affordable access to boating opportunities. Need either to own a boat and have a mooring or to belong to an expensive yacht club. Also, General lack of ADA access to most beaches and docks.	5/25/2022 10:04 PM
53	beautiful, but access is somewhat limited	5/25/2022 9:07 AM
54	Great resourcem could be optimized	5/24/2022 11:01 PM
55	Good	5/24/2022 9:52 PM
56	Clean, beautiful and valuable resource - However, access to moorings through the current waitlist requires an entire generation (25 years) for a family to secure a mooring. Access for small boats needs to be increased (similar to the Townie trawl). That trawl has been well run and very successful. Families have been provided access to the water and boating unseen in this Town for 50 years, or more.	5/24/2022 6:46 PM
57	Beautiful	5/24/2022 3:19 PM
58	Busy. Needs more moorings for small boats.	5/24/2022 3:06 PM
59	We need more trawl space. Town Class is the fastest growing one design class on the East Coast and additional trawls will promote more racing for families and children. Our trawl is in 2' of water at the end of the harbor and otherwise is unused space.	5/24/2022 2:11 PM
60	It is a nice Harbor but access at times seems exclusive	5/24/2022 9:38 AM
61	Beautiful harbor. It's a shame the mooring list for those of us with small boats is so long due to unfair ownership and transfer rights among those currently with moorings. Harbormasters including the current one have claimed they're going to stop the unethical behavior but haven't done a thing about it. No surprise there, right?	5/24/2022 9:28 AM
62	Satisfactory	5/24/2022 8:19 AM
63	A beautiful natural deepwater harbor that is not managed as effectively as it could be.	5/24/2022 7:57 AM
64	Crowded and somewhat dirty with oil and loose debris in the summer	5/24/2022 5:23 AM
65	Overcrowded with boats that are rarely used Hard to access without yacht club membership	5/24/2022 3:37 AM
66	Boat heavy. Increase access areas for Marblehead residents who don't live on water or own boat!	5/23/2022 11:33 PM
67	It's an under-used resource with limited marine use	5/23/2022 10:33 PM
68	Good shape, infrastructure needs work. More public access would be desirable.	5/23/2022 10:12 PM
69	Gorgeous, but extremely limited access. Mooring list is still horribly abused through fake partnerships even when knowledge of said falsity exists.	5/23/2022 9:31 PM
70	Crowding	5/23/2022 8:11 PM
71	Clean and safe but a lack of an opportunity to store your boat.	5/23/2022 6:07 PM
72	great place and working to get better	5/23/2022 3:27 PM
73	Not enough focus on small boat use, additional trawls for small boats, especially townies	5/23/2022 3:02 PM
74	Lack of public access to storing and launching small keel boats (requiring use of a hoist).	5/23/2022 1:29 PM
75	fine	5/23/2022 1:14 PM
76	poorly managed, administratively and ecologically.	5/23/2022 12:23 PM

Marblehead Harbor Plan

77	Poor mooring management; we could easily sustain more trawls	5/23/2022 10:40 AM
78	It is a great place to access the water if you can, but access is limited. Geography of the harbor makes this a major challenge. It seems if you aren't a member of a club that has facilities (boat ramps, cranes, piers, launches, etc) that you have no way to use the water. Also, mooring waiting list of 20+ years is brutal.	5/23/2022 10:36 AM
79	It is beautiful, but needs the ability for day-visitors or families without boats to gain access, either rent a boat or a service	5/23/2022 10:25 AM
80	Because of limited mooring and marina space water access is very exclusive.	5/23/2022 10:21 AM
81	Wonderful harbor, can still improve with more access, and more work on environmental concerns.	5/23/2022 10:21 AM
82	Needs improvement	5/23/2022 9:19 AM
83	Harbor is great. Would love to see the Town Class Trawl expanded. It's located in relatively unusable water as it's only 2 ft deep at low tide. Perfect for the Town class sailboats. Plus it's a beautiful sight as you drive across the causeway.	5/23/2022 9:12 AM
84	Very crowded ...	5/23/2022 8:14 AM
85	Not nearly enough mooring space for small sailboats, and the ability to access them. More trawl lines in shallow waters will enable affordable boating for more families. The Townie trawl has demonstrated this. The Townie fleet is the fastest growing one design fleet on the east coast. More trawls will promote more racing for families and children	5/23/2022 7:32 AM
86	Too many big motor boats	5/23/2022 7:29 AM
87	Naturally beautiful but developing a weed issue.	5/22/2022 11:43 PM
88	Perfect	5/22/2022 5:51 PM
89	Perfect the way it is... don't ruin it like everything else in this town.	5/22/2022 5:42 PM
90	Generally good, but mooring issues are having a negative impact on racing sailing. That's unfortunate in a number of ways.	5/22/2022 10:48 AM
91	It's very difficult to get a mooring, especially for historical fleets such as the IODs and the townies.	5/22/2022 10:45 AM
92	It's beautiful but I worry about what sea level rise and extreme weather will do to our harbor and town. Also, what about the Causeway? During major storms, it's often impassable. Do we need to raise the Causeway in some way to prevent flooding? What else is the town considering?	5/22/2022 7:39 AM
93	Busy and the beaches are very dirty with trash from both restaurants and boaters	5/21/2022 1:27 PM
94	Great asset for the town	5/21/2022 9:09 AM
95	NA	5/20/2022 10:03 PM
96	Too many small powerboats - center console outboards	5/20/2022 4:14 PM
97	Overcrowded	5/20/2022 2:24 PM
98	Busy, but not user friendly to visitors	5/20/2022 8:26 AM
99	Seems like people who don't have a boat have very limited access to the harbor.	5/20/2022 8:20 AM
100	One of the best in the country	5/20/2022 7:24 AM
101	Crowded, busy, a lot to navigate for everyone using it at a given time.	5/20/2022 4:29 AM
102	Very limited in terms of options for public (residents and visitors)	5/19/2022 10:40 PM
103	Needs expansion	5/19/2022 9:11 PM
104	Poorly managed public access and mooring management	5/19/2022 8:37 PM
105	It's not easily accessible or safe for family activities like kayaking or paddle boarding. Not a lot of dining opportunities on the water.	5/19/2022 8:29 PM

Marblehead Harbor Plan

106	A beautiful and historic place that has become very elite and exclusive.	5/19/2022 5:01 PM
107	Exclusive	5/19/2022 5:00 PM
108	Generally not a friendly port for transients. Difficult to reserve moorings and even more difficult to get access to land facilities (lack of launch services, transient dingy dockage, etc.). Too many mooring holders who dont use their boats all summer. This stagnates harbor vitality and frustrates many folks who would use their boats if only they had access to the harbor.	5/19/2022 4:52 PM
109	It's fine the way it is.	5/19/2022 4:38 PM
110	Pretty good compared to other areas of north shore that have too much industry or careless people littering, breaking glass container alcohol beverages, etc	5/19/2022 2:33 PM
111	better than other spots on the north shore that have been ruined by industry or careless people	5/19/2022 2:13 PM
112	As the yachting center of the World, the Town grew on sailboat racing which is greatly restricted because of the mooring situation.	5/19/2022 1:52 PM
113	Pretty but difficult to access	5/19/2022 12:46 PM
114	Lovely	5/19/2022 12:15 PM
115	Beautiful but there is a need for more access to the water, more kayak space, BATHROOMS, handicap access.	5/19/2022 12:13 PM
116	Our greatest asset	5/19/2022 9:00 AM
117	Beautiful, but would be nice to have more restaurants options on the water.	5/19/2022 7:12 AM
118	i love it	5/18/2022 8:40 PM
119	Beautiful asset, vulnerable to climate change, impossible to get a mooring	5/18/2022 8:35 PM
120	I moved to Marblehead to be able to enjoy the harbor, beaches, waterfront and to be part of the sailing community. I spend a lot of my time on the harbor. I belong to the MYC. I believe that more public access to the harbor is necessary. What is the point of having a small minority own most of the prime waterfront properties. Need more access to residents	5/18/2022 8:33 PM
121	Like it!	5/18/2022 6:50 PM
122	The Harbor is the town. It is why our forefathers chose to settle here. The harbor must always be accessible to both commercial and personal water craft.	5/18/2022 6:43 PM
123	love it but wish there were more public accesses to it	5/18/2022 6:23 PM
124	Not enough public parking at beach and other access points.	5/18/2022 5:22 PM
125	Good harbor	5/18/2022 5:20 PM
126	Great if you're rich and can buy access.	5/18/2022 2:32 PM
127	It is a beautiful harbor. Great for walking and taking in the view. It would be nice to have a few more restaurants/bars on the waterfront. Where would they go? Don't know. Don't know what might be preventing one from opening.	5/18/2022 2:27 PM
128	It's a nice harbor but not nearly enough public restaurants on it so non clubs members can enjoy	5/18/2022 1:39 PM
129	Boats still dumping sewage tanks	5/18/2022 1:25 PM
130	Beautiful harbor with limited access.	5/18/2022 12:03 PM
131	Marblehead harbor is beautiful amd one of Marblehead's biggest assets. It should be taken care of at all costs.	5/18/2022 11:43 AM
132	Cleaner and nicer than many years ago. Busy. Pleasant place to relax. Need more public access w parking	5/18/2022 11:36 AM
133	Great but needs attention	5/18/2022 11:25 AM
134	Too exposed to storms. Lack of waterfront access to visitors, by land or sea, impacts local business ability to generate revenue. Need to do more to turnover rarely used moorings.	5/18/2022 11:25 AM

Marblehead Harbor Plan

135	The mooring situation is untenable. The harbormaster has been working to address it by holding mooring owners to the rules, but lack of mooring turnover is affecting access to the water. The fact that our town doesn't have a recreational boating center when we have a site that is supposed to be dedicated to that use is outrageous. The Parkers situation has been completely mismanaged and I don't understand it.	5/18/2022 11:13 AM
136	I think it is well used and probably appropriately. Public access from the Neck side would be an improvement	5/18/2022 10:42 AM
137	Beautiful	5/18/2022 10:12 AM
138	Moorings are impossible to get	5/18/2022 9:55 AM
139	It's beautiful, but we need access and restroom facilities for townspeople as well as tourists.	5/18/2022 9:47 AM
140	Access reserved for the wealthy. Views are plentiful, but no real way to access. Even town yacht club is prohibitively expensive for most	5/18/2022 9:43 AM
141	I have sailed here since age eight. One of the best places to race sailboats.	5/18/2022 9:39 AM
142	Busy	5/18/2022 9:35 AM
143	Since the '70s the mix of boats has changed from class sailboats to large sailing yachts and power boats. Moorings have been extended to outside the harbor.	5/18/2022 9:10 AM
144	Elitist and underpriced. Most people who are there now are wealthy and can pay more for a mooring or leAve. There should be tiered based pricing and shorter wait lists.	5/18/2022 8:45 AM
145	It's well managed, but expensive to keep a mooring therein.	5/18/2022 8:45 AM
146	It's only functionally accessible by yacht club members, so use of the harbor is restricted to all. The two boat ramps in town are poorly maintained and can really only be used at high tide. It's such a beautiful harbor, I have enjoyed paddle boarding and kayaking around it but would love to be able to get our boat in for use through a public way (especially since the wait list for a mooring is generations long!) There's just not access for the non-yacht club people!!	5/18/2022 8:33 AM
147	Beautiful harbor.	5/18/2022 8:28 AM
148	It's a beautiful place with limited access for the general public.	5/18/2022 8:26 AM
149	Adequate	5/18/2022 8:26 AM
150	It's gorgeous and an integral part of town	5/18/2022 8:13 AM
151	great, but dirtier than once was	5/18/2022 8:10 AM
152	It's ok	5/18/2022 8:05 AM
153	It's a beautiful harbor but very difficult to get a mooring , kayak slot etc. Access areas are not well maintained or user friendly	5/18/2022 7:33 AM
154	One of the most beautiful harbors with huge potential, but needs to be managed properly.	5/18/2022 7:31 AM
155	Fine as it is	5/18/2022 7:27 AM
156	The harbor is spectacular. I just wish there was better mooring availability for residents. Also, I'm not sure the town maximizes revenue potential from the resource. If there is a 30+ year waitlist for a mooring.... Fees could be a lot higher.	5/18/2022 6:24 AM
157	Loss of access to community recreational boating storage and crane launching at the old Parker's Boatyard has been a tremendous loss for my family (adults & children). Trading has tried to help, but space is severely limited. The only other options are the exclusive (expensive) yacht clubs	5/18/2022 6:22 AM
158	There isn't a lot of access for general public. You have to be a member of a yacht club	5/18/2022 6:11 AM
159	I thoroughly enjoy the access we have to the harbor. Numerous access points. Would like to see more small craft storage	5/18/2022 4:45 AM
160	Popular and beautiful	5/18/2022 12:10 AM
161	Not friendly to users, from personal in the office to trying to add more ways for boat owners to	5/17/2022 11:46 PM

Marblehead Harbor Plan

	use the harbor. They curtail to the yacht clubs over residence	
162	Beautiful	5/17/2022 11:41 PM
163	Visually beautiful	5/17/2022 11:34 PM
164	Love it	5/17/2022 11:04 PM
165	Lovely. Preferred access to the rich.	5/17/2022 10:44 PM
166	Beautiful to look at, but very hard to get out on the water.	5/17/2022 10:17 PM
167	Beautiful but concerned about long range vision and usage. Especially for this who do not belong to yacht clubs	5/17/2022 10:06 PM
168	Elitist. Too many taking advantage of the rules. Not enough HM patrols. Completely ignore the west shore. 950 mooring permits with no representation on the board. They all have to go.	5/17/2022 9:49 PM
169	More could be done to expand moorings, rings, space for kayaks etc.	5/17/2022 9:47 PM
170	Too crowded and too many paddle and kayaks. Makes navigation dangerous.	5/17/2022 9:45 PM
171	Our town's number one resource	5/17/2022 9:40 PM
172	It's spectacular	5/17/2022 9:38 PM
173	Beautiful, calming	5/17/2022 9:32 PM
174	The harbor is the town's most important asset, but members of the Harbors & Waters Board need to be replaced. They are reactionary and have served too long. New blood and new thinking is needed.	5/17/2022 9:31 PM
175	Love it, beautiful harbor. However it is sad to see million dollar boats that just sit on the mooring all summer. We should honor Marblehead for what it was a hard working fishing town and allow for more commercial space.	5/17/2022 9:30 PM
176	Exclusive and elusive	5/17/2022 9:17 PM
177	Too crowded- too many moorings have been added over the years	5/17/2022 8:48 PM
178	Meets expectations	5/17/2022 8:39 PM
179	Exclusive	5/17/2022 8:35 PM
180	It is beautiful but limited to those in yacht clubs.	5/17/2022 8:34 PM
181	A thriving harbor. A incredible asset to the town for recreation and commercial use.	5/17/2022 8:30 PM
182	Best place on earth	5/17/2022 8:29 PM
183	Too many boats that never move.	5/17/2022 8:27 PM
184	It seems harbor has more and more really big power boats, fewer sailboats and smaller pleasure craft	5/17/2022 8:20 PM
185	A gem	5/17/2022 8:09 PM
186	Beautiful but crowded.	5/17/2022 7:52 PM
187	There are a fair number of moorings that sit idle for sometimes 2-3 yrs. keeping the 30 minute dock time enforced, if it is a very busy day. A lot of power boaters after a few, do not use the rules of the road to prevent accidents. Also the paddle boarders and kyacers should NOT BE ALLOWED GOING THRU THE MOORING FFIELD> I have come close to hitting over 25 in the past 10 years. They should use the perimeter of the harbor for safe passage.	5/17/2022 7:51 PM
188	Stuck in the mud of its own making. We need to intelligently make use of available resources to make the harbor more accessible. Parkers Boat Yard is a resource we should expand on to provide access for Marbleheaders with insufficient funds to join a yacht club or age to wait for a mooring. In summary, fun for those with access to moorings and the harbor, but very limiting for those without access.	5/17/2022 7:50 PM
189	Perfect in every way.	5/17/2022 7:39 PM

Marblehead Harbor Plan

190	Natural treasure but little public access for boating	5/17/2022 7:39 PM
191	Sea level rising is not a concern, it is natural and nothing new.	5/17/2022 7:32 PM
192	Greatest harbor on the north shore.	5/17/2022 7:18 PM
193	Current sea levels are ok, seem to be more astronomical high tides	5/17/2022 7:03 PM
194	Good	5/17/2022 7:00 PM
195	Not accessible to most residents of the town	5/17/2022 6:54 PM
196	Nice	5/17/2022 6:32 PM
197	Poor access. Great harbor.	5/17/2022 6:30 PM
198	Lots of missed opportunity to make waterfront more welcoming to long days at the beach (amenities, eateries, activities)	5/17/2022 6:28 PM
199	Not too friendly, and the lack of boaters following the rules of the road.	5/17/2022 6:15 PM
200	It's beautiful but reserved for boaters and yacht club members	5/17/2022 6:13 PM
201	It's lovely	5/17/2022 6:10 PM
202	Moorings are hard to come by, not many public restaurants on the water	5/17/2022 6:08 PM
203	beautifull	5/17/2022 5:54 PM
204	It's great	5/17/2022 5:52 PM
205	Beautiful harbor that falls far short of its potential. Incredibly unwelcoming to visiting sailors (who would spend money here supporting local businesses) and for people who do not belong to a yacht club. Run by a few for the few.	5/17/2022 5:51 PM
206	Ok	5/17/2022 5:50 PM
207	Beautiful, but need to expand access beyond Yacht Clubs. Need to expand use of space for boats; waiting list is too long. le what could be done w/Riverhead?	5/17/2022 5:48 PM
208	Great leave it alone	5/17/2022 5:46 PM
209	Functioning, but exclusive	5/17/2022 5:41 PM
210	Very crowded, but like to see all available space used. Extend the Town Class Trawl line in the shallow end of the harbor	5/17/2022 5:36 PM
211	It is amazing, but not right to me that people can have multiple moorings in one house hold given wait time. Plus non residents owning moorings.	5/17/2022 5:27 PM
212	Beautiful and very crowded	5/17/2022 5:22 PM
213	Accessible to those with money and without disabilities	5/17/2022 5:19 PM
214	It lacks access for sailboat racing and needs a publicly accessible launch and storage facility. I have been a member of the Marblehead Racing Association board for more than 12 years and this issue has been flagged as the biggest for us as we try to increase participation in sailboat racing in Marblehead.	5/17/2022 5:18 PM
215	Beautiful	5/17/2022 5:14 PM
216	A healthy harbor with a good mix of uses. It skews toward elite uses, but does have plenty of uses available to the average resident or guest.	5/17/2022 5:09 PM
217	Beautiful harbor but concerned about climate change and its affects on businesses and properties.	5/17/2022 5:08 PM
218	Very hard to use without a yacht club. Many moorings used by non-residents. Little to no chance for someone not born in Marblehead to get a mooring in MHD harbor without a side deal.	5/17/2022 5:06 PM
219	It is not in good shape. Rising sea levels will decimate the town	5/17/2022 5:02 PM
220	Beautiful	5/17/2022 5:00 PM

Marblehead Harbor Plan

221	Perfectly fine. Absolutely nothing needs to be changed.	5/17/2022 4:59 PM
222	It's active and caters to the boating community.	5/17/2022 4:58 PM
223	Beautiful. Healthy. Safe.	5/17/2022 4:57 PM
224	safe, well maintained	5/17/2022 4:55 PM
225	good	5/17/2022 4:55 PM
226	We are lucky to have it.	5/17/2022 4:24 PM
227	Very difficult for working people non club members to find a place to launch small boats. Need a dry sailing center with a ramp. Only one spot left to do it on M/Head Harbor, Parkers boat yard.	5/17/2022 4:13 PM
228	Beautiful! The sewage drains at public beaches like gracie's and riverhead concern me though	5/17/2022 3:58 PM
229	crowded	5/17/2022 3:45 PM
230	Crowded with boats	5/17/2022 3:33 PM
231	Very busy without good access if you're not a member of a club	5/17/2022 3:29 PM
232	It's geared towards yacht club members and mooring holders.	5/17/2022 3:27 PM
233	It's a great harbor and there are multiple points of access. I think people move to town thinking they have rights to a mooring or special access. No new access is needed, especially if potentially at taxpayer expense. We got on the waiting list like everyone else and waited our turn. And there are multiple yacht clubs one can join and now a new launch servicing the harbor for anyone from multiple access points for a small fee.	5/17/2022 2:48 PM
234	beautiful	5/17/2022 2:32 PM
235	It's fine	5/17/2022 2:32 PM
236	It's a great spot and one of the key reasons people in Marblehead life in town. The long waiting list for a mooring and lack of public access to the harbor has been a challenge.	5/17/2022 2:22 PM
237	Wish the wait list wasn't so long for a mooring. Wish it was ok for visitor boats especially from salem harbor to tie up to mooring owners or drop anchor in some designated MH area.	5/17/2022 1:53 PM
238	Too hard to access, too hard to get a mooring	5/17/2022 12:48 PM
239	Active harbor, crowded and heavily used	5/17/2022 12:38 PM
240	Needs some work	5/17/2022 11:33 AM
241	It is beautiful, crowded but not creating a problem, and a playground for residents.	5/17/2022 11:27 AM
242	Busy. But I am interested in entire coastline of marblehead	5/17/2022 11:21 AM
243	A great and wonderful place, but is being mismanaged. Parker's BY was shut down for structural reasons, while they knew about the problems for years, and then tried to scapegoating the summer dry boaters for their failure to address the problems.	5/17/2022 10:55 AM
244	Stunning. One of a kind on the eastern Seaboard. The charm of Annapolis but opens directly on the Atlantic Ocean	5/17/2022 10:38 AM
245	It is run by people who like the way it is with little interest in listening to the people. It seems a bit corrupt with the boatyards leased for profit with little oversight. And although we've made great progress with people who 'share' moorings, I think that process can still be improved. Bottom line, no one new to town has access. That doesn't promote long term maintenance as a boating town which inhibits growth. Also handicap access is a problem.	5/17/2022 9:38 AM
246	Good, but unsure how we are planning for environmental change. Also seems there is a missed opportunity for public use down by Parker's boatyard.	5/17/2022 8:50 AM
247	Great harbor but too exclusive and inaccessible for most.	5/17/2022 8:12 AM
248	Beautiful, but hard to access unless you are a member of a yacht club.	5/17/2022 7:46 AM
249	Beautiful but mostly accessible to rich boaters	5/17/2022 7:08 AM

Marblehead Harbor Plan

250	Beautiful, but boating access is difficult unless a member of a yacht club	5/17/2022 7:01 AM
251	Love our harbor. I am lucky to have easy access to it via a mooring and a yacht club where I have launch service and a place to eat and drink waterside. I hate how hard it is for others to access our beautiful harbor. From launching boats (the Riverhead ramp is really tricky) to mooring access to waterfront dining opportunities, it feels harder than it should be for folks to access our beautiful harbor. Thanks for doing this study!	5/17/2022 6:50 AM
252	Beautiful, clean, accessible, I wish there was better parking facilities and more water front restaurants.	5/17/2022 6:45 AM
253	Fairly healthy, perhaps some pollutants from motors	5/17/2022 6:17 AM
254	Impossible to get a mooring. Good place to kayak and SUP	5/17/2022 6:00 AM
255	Too many people on paddle boards that are unable to handle themselves around docks and busy areas.	5/17/2022 5:54 AM
256	It is a beautiful harbor but very hard to get access to without being a member of some club or organization. Very little opportunity for "public" access to on water activities	5/17/2022 5:35 AM
257	It's beautiful	5/17/2022 5:30 AM
258	Very little water access if you don't belong to a yacht club. Very full in the summer, dangerous for kayakers.	5/17/2022 5:13 AM
259	Treasure	5/16/2022 11:45 PM
260	Beautiful	5/16/2022 11:10 PM
261	Crowded. Expensive to access. Beautiful.	5/16/2022 11:09 PM
262	N/a	5/16/2022 11:03 PM
263	It's beautiful, I love spending time there. Wish I was able to obtain a mooring on either side Been waiting a long time	5/16/2022 10:59 PM
264	It has problems when the wind blows from a certain direction. In a major hurricane itsbin big trouble.	5/16/2022 10:45 PM
265	tbd. I'm a new home owner and cannot understand we it is so complicated to launch a laser or a small dinghy.	5/16/2022 10:33 PM
266	Active, vibrant, vulnerable.	5/16/2022 10:30 PM
267	Need a better access point for small boat sailing and dry storage including paddle boards/kayaks. Restoring Parker's would be a good choice	5/16/2022 10:10 PM
268	It is a great place to sail out of, but I'll never be able to afford to keep a boat there.	5/16/2022 10:07 PM
269	Great harbor, needs revitalization and access to the public and tourists.	5/16/2022 10:04 PM
270	Limited access	5/16/2022 9:56 PM
271	It is beautiful and I don't take advantage of it as much as I should living here	5/16/2022 9:53 PM
272	Beautiful but at risk.	5/16/2022 9:49 PM
273	Good access if you belong to a club, poor access otherwise	5/16/2022 9:42 PM
274	It's for healthy rich people.	5/16/2022 9:37 PM
275	Moorings need to be for Marblehead residents	5/16/2022 9:32 PM
276	Very crowded, but not AI space being used that could be.	5/16/2022 9:29 PM
277	Hard to access. Long mooring wait, and limited space for the number of people that want to use it (parking, boat racks, beach spaces, crumbling boat ramps and stair access) but such an important part of choosing to live in town.	5/16/2022 9:29 PM
278	Limited boat storage off season and limited parking at public launch areas. A need for long term planning for environmental health of the harbor.	5/16/2022 9:29 PM

Marblehead Harbor Plan

279	It seems ok to me. More places to store personal kayaks would be nice.	5/16/2022 9:28 PM
280	Very crowded with boats. Very pretty. Hard to access with anything but human powered boats	5/16/2022 9:28 PM
281	It's great. Me and my family love the harbor and feel like the town has done a great job.	5/16/2022 9:19 PM
282	Great	5/16/2022 9:18 PM
283	That it's privatized. Tied up in personal interest of back of the napkin deals with things like a board of selectman who appoint members of the harbor and waters board and approve commercial leases - three of which coincidentally tie to individuals who are on the board of the bank at which a particular board of selectmen is President.	5/16/2022 9:17 PM
284	Scenic	5/16/2022 9:15 PM
285	Lovely	5/16/2022 9:14 PM
286	Beauty	5/16/2022 9:09 PM
287	Beautiful but in large part accessible only to the wealthy with moorings and memberships to yacht clubs.	5/16/2022 9:02 PM
288	Beautiful harbor. One of the nicest in the world.	5/16/2022 8:55 PM
289	I wish I could get a mooring.	5/16/2022 8:51 PM
290	Limited access	5/16/2022 8:49 PM
291	Busy but well monitored, good mix of sail and power w multiple access points. when weather is fair, ample kayaks / sup	5/16/2022 8:46 PM
292	Adequate	5/16/2022 8:39 PM
293	Crowded	5/16/2022 8:33 PM
294	It's a beautiful location that is extremely difficult to access for boating (expensive clubs with limited access are the only way currently), this is probably by design, as the town doesn't seem to pride inclusivity or water access unless you own a house on the water.	5/16/2022 8:32 PM
295	Favorite harbor in the world - but gets more crowded every year	5/16/2022 8:29 PM
296	Unknown	5/16/2022 7:49 PM
297	Love it but would love more access for the public and cool water front engagement like restaurants , ice cream shops ext.	5/16/2022 7:36 PM
298	Beautiful active focus of the town but very vulnerable to worsening storm surge	5/16/2022 7:23 PM
299	Exclusive	5/16/2022 7:20 PM
300	More access needed	5/16/2022 7:16 PM
301	No access for the public. Need to be a member of a yacht club to access the water	5/16/2022 7:16 PM

Q13 What would you like the Harbor to be in 2040?

#	RESPONSES	DATE
1	Accessible to all. Ecologically healthy.	6/21/2022 6:30 AM
2	?????	6/11/2022 6:38 PM
3	Safer	6/10/2022 9:41 PM
4	Safe from flooding due to rising sea levels	6/10/2022 2:35 PM
5	Beautiful just as it is	6/10/2022 12:17 PM
6	I hope it retains its natural rock shores and not just a continuous concrete slab wall.	6/10/2022 11:53 AM
7	Unchanged	6/10/2022 8:20 AM
8	Just as it is with a breakwater protecting us from boat and waterfront damaging Nor'easters.	6/10/2022 6:05 AM
9	Clean water. Harbor of refuge. Easy accessibility to small craft.	6/9/2022 3:27 PM
10	the same or better	6/9/2022 12:31 PM
11	Safe, with access for all	6/9/2022 9:50 AM
12	As it is now, absent some profound and unforeseeable supervening future event or development.	6/9/2022 9:42 AM
13	More access for people who really want to use the harbor. Less access for people who just want to be able to say they have a mooring and don't use it.	6/9/2022 7:04 AM
14	Unsure	6/8/2022 9:38 PM
15	Unchanged	6/8/2022 7:30 PM
16	safe and relatively stable, with as diverse access as possible. Everyone resident in town should have the right to some type of access - maybe not a permanent mooring but a way to enjoy the resource	6/8/2022 6:20 PM
17	Better access and better protected	6/8/2022 6:03 PM
18	My boat	6/8/2022 4:40 PM
19	Same as now, moorings, with a breakwater	6/8/2022 4:39 PM
20	more dockage for visitors	6/8/2022 4:31 PM
21	protected from NE storms and flooding	6/8/2022 4:11 PM
22	Still here & still vibrant	6/8/2022 3:41 PM
23	Same as today but less crowded by personal watercraft or SUPs rented commercially on Town property.	6/8/2022 3:28 PM
24	More collaboration between waterfront entities and more public access boating.	6/8/2022 3:04 PM
25	Much more available and open to the residential base. Public docks, slips and more accessible mooring options.	6/8/2022 2:40 PM
26	I think a jetty to protect the harbor from northeasterly swells and storms would be an improvement.	6/8/2022 2:23 PM
27	Fine	6/8/2022 2:14 PM
28	Largely the same.	6/8/2022 2:11 PM

Marblehead Harbor Plan

29	Everything it is today while protecting the natural environment, commercial opportunity and improved recreational access.	6/8/2022 2:04 PM
30	Make sure it exists	6/8/2022 1:40 PM
31	beautiful and better organized	6/8/2022 1:37 PM
32	used with better water quality	6/8/2022 1:37 PM
33	offer protection to NE storms	6/8/2022 1:34 PM
34	Preserved - The same as now.	6/8/2022 1:26 PM
35	Unchanged	6/8/2022 1:15 PM
36	preserved and retained for recreation,	6/8/2022 1:08 PM
37	A working waterfront	6/8/2022 12:59 PM
38	The same as it is now.	6/8/2022 12:56 PM
39	More sailing	6/6/2022 1:31 PM
40	Better protected, with more access for non yacht club members. Strong environmental controls by yacht clubs and everyone else	6/6/2022 8:22 AM
41	The same as today	6/6/2022 6:58 AM
42	Beautiful	6/3/2022 7:40 PM
43	Accessible to sailing especially small boats. Town Class is a perfect example of resurgence towards the sport. Balance between center console's and sailboats. Increased public access, increased access on Salem Harbor side, increased opportunity for all ages and all abilities to learn sailing. Living in Marblehead and not knowing how to sail is like living in Vail and not knowing how to ski/snowport.	6/3/2022 9:10 AM
44	a vital, active harbor with access to all. I hope it has lots of sailboat racing taking place near the harbor. I hope it will have access to sailing for all - not just wealthy people who can afford membership in the major yacht clubs. I hope the harbor will be a healthy natural ecosystem as well.	5/31/2022 1:43 PM
45	Healthier and more accessible	5/28/2022 4:30 PM
46	More protected	5/27/2022 2:12 AM
47	A place where everyone in the community regardless of physical ability, or financial ability, is a ball to enjoy equal access to the waterfront and activities on the water.	5/25/2022 10:04 PM
48	accessible, green power for boating (transition away from gas/diesel), sustainable practices (reduced single use plastic), nature-based solutions to shoreline protection	5/25/2022 9:07 AM
49	Dunno	5/24/2022 11:01 PM
50	Not more commercial.	5/24/2022 9:52 PM
51	Still a pristine Town amenity with greater access to small craft boating and more trawls.	5/24/2022 6:46 PM
52	Accessible at a reasonable cost. Yacht clubs are expansive access to moorings. Storm safer too.	5/24/2022 3:06 PM
53	Additional moorings for sailboats. Shorten the waitlist for moorings.	5/24/2022 2:11 PM
54	active and accesible	5/24/2022 9:38 AM
55	More access for small boats whether docked or even more trawls available like the Town Class trawl off Riverhead. Each mooring should have a 10 year maximum usage before it must be given up to the next person on the waiting list.	5/24/2022 9:28 AM
56	Clean and contained by public and private sea walls.	5/24/2022 8:19 AM
57	Similar, but with more economic activity. I think the mooring system should be revamped. First, there is no reason out of town residents should have the same ability to get a mooring nor pay the same price for it. Newport has two waiting lists, one for residents one for non-	5/24/2022 7:57 AM

Marblehead Harbor Plan

residents. Second, the mooring fees are ridiculously low. There are million dollar boats paying a few hundred dollars for a mooring when the market price would be several thousand dollars. Jack the prices up (except for commercial fishermen) and use the funds to repair the causeway, build a seawall to expand the harbor, prepare for global warming, etc). Higher prices would also shorten the 20+ year waiting list for residents to get a mooring, by encouraging those who don't even use their boat or mooring to vacate. Allocate some outer harbor moorings to a commercial company via a bidding process. Then make those available for rental. Also, take advantage of the shallow areas near Riverhead by expanding the Townie trawl, the fastest growing fleet in the harbor. Encourage on the water businesses, such as boat cleaning services, shellfish delivery boats like on Cuttyhunk, Ubereats service out of The Landing or other restaurants, etc. Have more dinghy space for people to get into Old Town and spend some money.

58	Better policed against trash, particularly Little Harbor	5/24/2022 5:23 AM
59	Less unused boats and easier access for non yacht club boat users	5/24/2022 3:37 AM
60	Healthy. Increased access for all.	5/23/2022 11:33 PM
61	More vibrant working waterfront, more commercial use, more dinghy access and moorings	5/23/2022 10:33 PM
62	Sustainable, more access, more moorings, ability for people who haven't been here 50 years to access it	5/23/2022 10:12 PM
63	Lots of access to small boat sailing and self-propelled, better signage for public access spots, increased public boat ramps, and public launching. Balance of sailing boats to powerboats in the harbor. Priority moorings for sailboats.	5/23/2022 9:31 PM
64	Accessible to everyone	5/23/2022 8:11 PM
65	I sail in a Townie and expanding the trails would be a plus for our fleet.	5/23/2022 6:07 PM
66	cleaner and more accessible	5/23/2022 3:27 PM
67	see above. more activity at waterside.	5/23/2022 3:02 PM
68	Clean, with public access to launching small keelboats with a hoist for those of us that cannot afford joining the yacht clubs that have a hoist (BYC, Eastern, and Corinthian).	5/23/2022 1:29 PM
69	unchanged	5/23/2022 1:14 PM
70	clean transparent mooring allocation system.	5/23/2022 12:23 PM
71	A series of trawls in low water space for small boats	5/23/2022 10:40 AM
72	Similar, but if they could build a jetty/breakwater at the mouth to limit NE swell and find a way to get more boats in the harbor that would be ideal. More trawls, maybe dredge riverhead and get a marina of sorts in to increase number of boats.	5/23/2022 10:36 AM
73	More accessible to more people, clean & healthy	5/23/2022 10:25 AM
74	It would be great to have some sort of wave protection near the mouth of the harbor.	5/23/2022 10:21 AM
75	A model for community involvement and access, and a leader in environmental stewardship.	5/23/2022 10:21 AM
76	Clean, accessible	5/23/2022 9:19 AM
77	Would like to see a little more protection from North easterly winds. Maybe a breakwater at the mouth of the harbor.	5/23/2022 9:12 AM
78	Cleaner, and more accessible to the average boating family that does not have a membership in one of the major yacht clubs in town.	5/23/2022 8:14 AM
79	More accessible for more families	5/23/2022 7:32 AM
80	Trawls for townies... source of funds by charging per hour motors	5/23/2022 7:29 AM
81	Kept at the same high standard. I also would like moorings to be limited to residence of Marblehead and limited to one per household	5/22/2022 11:43 PM
82	Same as it is today	5/22/2022 5:51 PM

Marblehead Harbor Plan

83	The same pristine harbor that it is. Stop overdeveloping and fiscally driving out the people who Made this town great.	5/22/2022 5:42 PM
84	More sailboats and active racing sailboats. This would be a harbor that is more actively used than now, and is more in Marblehead's historical tradition. Sailing is a group and family activity, we should encourage that the same way we encourage other sports in town.	5/22/2022 10:48 AM
85	I'd like it to remain as beautiful and healthy as it is today, but I fear that major changes are ahead.	5/22/2022 7:39 AM
86	Have no more moorings added at the mouth of the harbor than there are today. the harbor is crowded enough with large sail and motorboats. In fact, if the moorings were reduced back to what they were in the 1950's (meaning no moorings beyond the CYC) so much the better.	5/21/2022 1:27 PM
87	About the same	5/21/2022 9:09 AM
88	More sailboats	5/20/2022 4:14 PM
89	Sustainable and accessible	5/20/2022 2:24 PM
90	More public boating access, more Townie trawl lines	5/20/2022 8:26 AM
91	More accessible.	5/20/2022 8:20 AM
92	The same	5/20/2022 7:24 AM
93	Not more crowded than it is now.	5/20/2022 4:29 AM
94	To have a robust community boating center that complements yacht clubs in addition to additional waterfront businesses and sea level rise accommodations	5/19/2022 10:40 PM
95	Larger	5/19/2022 9:11 PM
96	More public and commercial access. Less condos. Better boat ramp.	5/19/2022 8:37 PM
97	Perhaps more town managed public access, access that is convenient for the disabled and elderly that does not come with a huge club membership fee.	5/19/2022 5:01 PM
98	Accessible by all	5/19/2022 5:00 PM
99	Riverhead dredged and a marina developed. This would provide jobs for many young and retired Marbleheaders and also expand access and generate revenue for the town. Riverhead area is a neglected opportunity. It would be important to have town control the facilities. Drop new moorings/trawls (if dredged) and open area for whalers, townies, etc. Provide town launch service. Give residents who dont belong to Yacht Clubs equal access to the harbor. Develop tide mitigation strategies (seawalls, etc.). By 2040, BYC may be underwater at high tides. The parking area floods at moon tides now. Get rid of the comerants, they smell.	5/19/2022 4:52 PM
100	As is.	5/19/2022 4:38 PM
101	A sailor's delight	5/19/2022 2:33 PM
102	a sailor's delight	5/19/2022 2:13 PM
103	Promote small sailboat racing for families and children	5/19/2022 1:52 PM
104	A more accessible place	5/19/2022 12:46 PM
105	As is with access for local residents	5/19/2022 12:15 PM
106	The harbor it's self untouched, the land - better handicap access, public areas remain public areas. In a lot of cases less is more for example the blue fish and the yellow anchor at Crocker Park are awful and they take away from the beauty of that historic park, just because people want to donate does not mean we have to accept. Donations of benches, tables and other things should be for what the town needs and is asking for not just things that people dream up. Donations are lovely but they can get out of hand. The parks along the water should have much better handicap accessibility.	5/19/2022 12:13 PM
107	clean, sustainable, protected	5/19/2022 9:00 AM
108	The same, but with more waterfront options to dine.	5/19/2022 7:12 AM

Marblehead Harbor Plan

109	I would like to see more opportunities to rent boats for the day and more public access by boat	5/18/2022 8:40 PM
110	More climate resilient, more commercial uses, better access for dry sailing	5/18/2022 8:35 PM
111	Better than it is today	5/18/2022 8:33 PM
112	Not much different than it is today	5/18/2022 6:50 PM
113	A thriving boating community serving both commercial and recreational craft. Access to all must be protected and the ecologically soundness must be preserved or improved.	5/18/2022 6:43 PM
114	still there	5/18/2022 6:23 PM
115	I would want it to be cleaner. Send teams down to the bottom to pick up the trash (empty cans etc) at the bottom of it	5/18/2022 5:20 PM
116	More accessible to all, moorings more equitably distributed.	5/18/2022 2:32 PM
117	More engaging	5/18/2022 1:39 PM
118	Less crowded...	5/18/2022 1:25 PM
119	Pretty much preserved and more accessible - both from land and for visiting yachters.	5/18/2022 12:03 PM
120	Still beautiful and clean!	5/18/2022 11:43 AM
121	A place of beauty	5/18/2022 11:36 AM
122	Consistent with condition now with improved sea walls.	5/18/2022 11:25 AM
123	A welcoming place for visitors with a vibrant waterfront available to all	5/18/2022 11:25 AM
124	I think the vulnerable waterfront areas around the Harbor are going to look very different in 2040. Sections of Front Street, Beacon Street, State Street Landing, Stramski's, and the Causeway may be unusable/unlivable by then and we need to prepare for it. I would like the Harbor to look similar to how it does now, but with additional trawler space near Riverhead, a boating center at Parker's, public launch service, and a healthy fishing and marine services industry.	5/18/2022 11:13 AM
125	Public ways should be left open	5/18/2022 10:54 AM
126	A fully accessible, community centered recreational facility	5/18/2022 10:42 AM
127	The same	5/18/2022 10:12 AM
128	Clean and accessible	5/18/2022 9:55 AM
129	Clean, able to be used recreationally and economically by residents. More access points.	5/18/2022 9:47 AM
130	More community oriented. Sail programs, ability to launch your own kayak or small sailboat easily.	5/18/2022 9:43 AM
131	More access for non members of Yacht Clubs	5/18/2022 9:39 AM
132	Clean and accessible even to NON boat owners	5/18/2022 9:35 AM
133	Still accessible for smaller sailing boats.	5/18/2022 9:10 AM
134	More egalitarian	5/18/2022 8:45 AM
135	Accessible to anyone who wants to get in/on/near the water.	5/18/2022 8:45 AM
136	Accessible to all and ecologically maintained	5/18/2022 8:33 AM
137	Clean with the same or better access and more public shore-side services.	5/18/2022 8:28 AM
138	Pretty much the same but, with better public access.	5/18/2022 8:26 AM
139	Healthy. Increase moorings with dual moorings with small dock between for smaller boats eg. Manchester harbor	5/18/2022 8:26 AM
140	The same	5/18/2022 8:13 AM
141	same, but a few more access points for kayaks / paddleboards	5/18/2022 8:10 AM

Marblehead Harbor Plan

142	I would like to be here to see it.	5/18/2022 8:05 AM
143	Easy for all t access with better facilities and plenty of available moorings and kayak racks	5/18/2022 7:33 AM
144	Protected and accessible to all.	5/18/2022 7:31 AM
145	Same	5/18/2022 7:27 AM
146	I'm not sure I've thought about this	5/18/2022 6:24 AM
147	Clean, vibrant, active, and accessible by all, not just those of means	5/18/2022 6:22 AM
148	I would like there to be more access for all residents. Also, concerned about cleanliness of harbor.	5/18/2022 6:11 AM
149	Similar to what it is now with more waterfront restaurants	5/18/2022 4:45 AM
150	Focus on easier access to all towns people especially for sailors to keep the tradition of sailing. Easier access to cruisers so they can take advantage of having better access to old town.	5/18/2022 12:10 AM
151	To have more trawls for boats that have shallow drafts	5/17/2022 11:46 PM
152	Beautiful, vibrant	5/17/2022 11:41 PM
153	The heart of Marblehead for all to visit	5/17/2022 11:34 PM
154	Same, it's a great place	5/17/2022 11:04 PM
155	More inclusive and diverse. Opportunities for all.	5/17/2022 10:44 PM
156	Public access	5/17/2022 10:37 PM
157	More affordable access to the water	5/17/2022 10:17 PM
158	Accessible for all.	5/17/2022 10:06 PM
159	Welcoming.	5/17/2022 9:49 PM
160	More accessible.	5/17/2022 9:47 PM
161	Quieter and more peaceful.	5/17/2022 9:45 PM
162	Similar to today!	5/17/2022 9:40 PM
163	More public activities, and very clean.	5/17/2022 9:38 PM
164	Clean River head beach up, better boat ramp you can access In high and low tide	5/17/2022 9:32 PM
165	Clean and sustainably managed, more mooring space, better public access, more electric boat motors, and economically vibrant.	5/17/2022 9:31 PM
166	Healthier environment	5/17/2022 9:17 PM
167	Same as it is now, a few less moorings	5/17/2022 8:48 PM
168	Clean water to swim in	5/17/2022 8:39 PM
169	Inclusive and accessible	5/17/2022 8:35 PM
170	A place where all families can recreate.	5/17/2022 8:34 PM
171	Continued recreation and commercial use. A clean harbor, accessible to all member of the community, which I believe is the case today.	5/17/2022 8:30 PM
172	Same as today	5/17/2022 8:29 PM
173	Close to what it is now.	5/17/2022 8:27 PM
174	More access for smaller boats, and more space for small sailboats	5/17/2022 8:20 PM
175	As is	5/17/2022 8:09 PM
176	Clean	5/17/2022 7:52 PM

Marblehead Harbor Plan

177	More moorings for the TOWN Class Fleet	5/17/2022 7:51 PM
178	I would prefer the harbor to be a sailing harbor, not as it currently is a haven for 22-23 foot outboards. Outboards one can drive like a car with little nautical skills...sailboats require all nautical skills so the town should go out of their way to enable sailing.	5/17/2022 7:50 PM
179	The same.	5/17/2022 7:39 PM
180	Same as now	5/17/2022 7:32 PM
181	The same.	5/17/2022 7:18 PM
182	Same	5/17/2022 7:03 PM
183	The same	5/17/2022 7:00 PM
184	More accessibility to the town	5/17/2022 6:54 PM
185	I would like there to be more opportunities for new people to enjoy boating through Town Class and shared boat clubs	5/17/2022 6:32 PM
186	Full access to all	5/17/2022 6:30 PM
187	Destination for diverse activities	5/17/2022 6:28 PM
188	A more environmentally friendly and more accessible to the public.	5/17/2022 6:15 PM
189	Accessible to all Marblehead residents, including boating	5/17/2022 6:13 PM
190	I would like to see a healthy harbor with more public boating access	5/17/2022 6:10 PM
191	Lively and easy for the whole town to enjoy	5/17/2022 6:08 PM
192	same	5/17/2022 5:54 PM
193	That's a pretty open question	5/17/2022 5:52 PM
194	Welcoming to all. Protected from climate change and sea-level rise, which at the very least demands a breakwater.	5/17/2022 5:51 PM
195	Free of gas powered boats	5/17/2022 5:50 PM
196	More public access to harbor, water, boating. More boats fit in space. Do something with Riverhead end. Seawall at mouth for long term protection from storms?	5/17/2022 5:48 PM
197	Same as is	5/17/2022 5:46 PM
198	More accessible to those looking for mooring space.	5/17/2022 5:41 PM
199	Similar to todays use	5/17/2022 5:36 PM
200	1 mooring per household and non resident non town tax payers	5/17/2022 5:27 PM
201	less crowded	5/17/2022 5:22 PM
202	Environmentally healthy, accessible to diverse group of people	5/17/2022 5:19 PM
203	Assuming any uses survive rising sea levels, I think the only thing missing is an active consumer-focused marina and wharf complex.	5/17/2022 5:09 PM
204	A vibrant, accessible resource for everyone, protected by the possibility of a sea wall.	5/17/2022 5:08 PM
205	More friendly to both residents and cruising boats looking for enjoy our town.	5/17/2022 5:02 PM
206	The same	5/17/2022 5:00 PM
207	The same as it is NOW	5/17/2022 4:59 PM
208	More public access.	5/17/2022 4:58 PM
209	Similar as possible.	5/17/2022 4:57 PM
210	safe, well maintained	5/17/2022 4:55 PM
211	same but better	5/17/2022 4:55 PM

Marblehead Harbor Plan

212	The same	5/17/2022 4:24 PM
213	Back to it's roots a highly respected sailing and boating town	5/17/2022 4:13 PM
214	Cleaner! With more fish/wildlife	5/17/2022 3:58 PM
215	less crowded	5/17/2022 3:45 PM
216	Clean.	5/17/2022 3:33 PM
217	With better public access to the water and more control of use and pollution	5/17/2022 3:29 PM
218	Accessible for ALL	5/17/2022 3:27 PM
219	The same as it is now, perhaps with some food delivery options to boats.	5/17/2022 2:48 PM
220	intact	5/17/2022 2:32 PM
221	More swimming areas that aren't just for the homeowners we all pay taxes and beachfront should be for all	5/17/2022 2:32 PM
222	I think the town needs to consider a break water to protect the low lying areas along the waterfront. Also, it would be nice to have more efficient use of the moorings and harbor spaces.	5/17/2022 2:22 PM
223	As it is now but for us to have a mooring.	5/17/2022 1:53 PM
224	Open to all for all forms of recreation. Less private piers	5/17/2022 12:48 PM
225	Environmentally protected and available for non boating recreational use	5/17/2022 12:38 PM
226	Address the flooding and beach cleaning	5/17/2022 11:33 AM
227	Clean and shoreline resilient from storms with updated seawalls and technology. Would love to see a bathroom at Village dock where hundreds of residents access their boats from.	5/17/2022 11:27 AM
228	more access to public rather than controlled by yacht clubs and private interest.	5/17/2022 11:21 AM
229	Prepared for rising sea levels, and increased levels of public access.	5/17/2022 10:55 AM
230	1. Preserve what is best about it. No ugly condos. 2, Replace what used to be called Parkers Boatyard providing inexpensive access to the harbor for sailors who cannot afford the yacht clubs (I can afford a yacht club but I miss the camaraderie and diversity that came from enabling access to anyone who wanted to race sailboats) 3. Preserve a clean harbor and clean town. Ban the sale of SUP bottles in Marblehead and no stores should provide plastic shopping bags.	5/17/2022 10:38 AM
231	More accessible and welcoming to the average Marblehead resident.	5/17/2022 9:38 AM
232	A place where all can enjoy: yacht club members, non-club members, those who work on the water, etc. A place where interest in water activities (fun & work) can be fostered & grow by EVERYONE. A clean, pristine ecosystem.	5/17/2022 8:50 AM
233	More accessible.	5/17/2022 8:12 AM
234	More restaurants and accessible spots for people to enjoy access to the harbor	5/17/2022 7:08 AM
235	Would love to see a vibrant waterfront that provides easy access to residents and tourists. Spots to eat or drink. Easy access to boat rentals - especially non-power! A healthy mix of power and sailboats in our harbor (we seem to be skewing to more power boats with multiple engines every year). Healthy sea walls and good railings.	5/17/2022 6:50 AM
236	Don't change very much	5/17/2022 6:45 AM
237	Continued kayak access, more restaurants on the waterfront- there are only 2 that are public with waterside dining	5/17/2022 6:17 AM
238	Including a ferry to Salem or other waterfront towns	5/17/2022 6:00 AM
239	Pretty much the same	5/17/2022 5:54 AM
240	A place where everyone in Marblehead can gather and an inviting harbor for cruisers to visit and spend money in town	5/17/2022 5:35 AM

Marblehead Harbor Plan

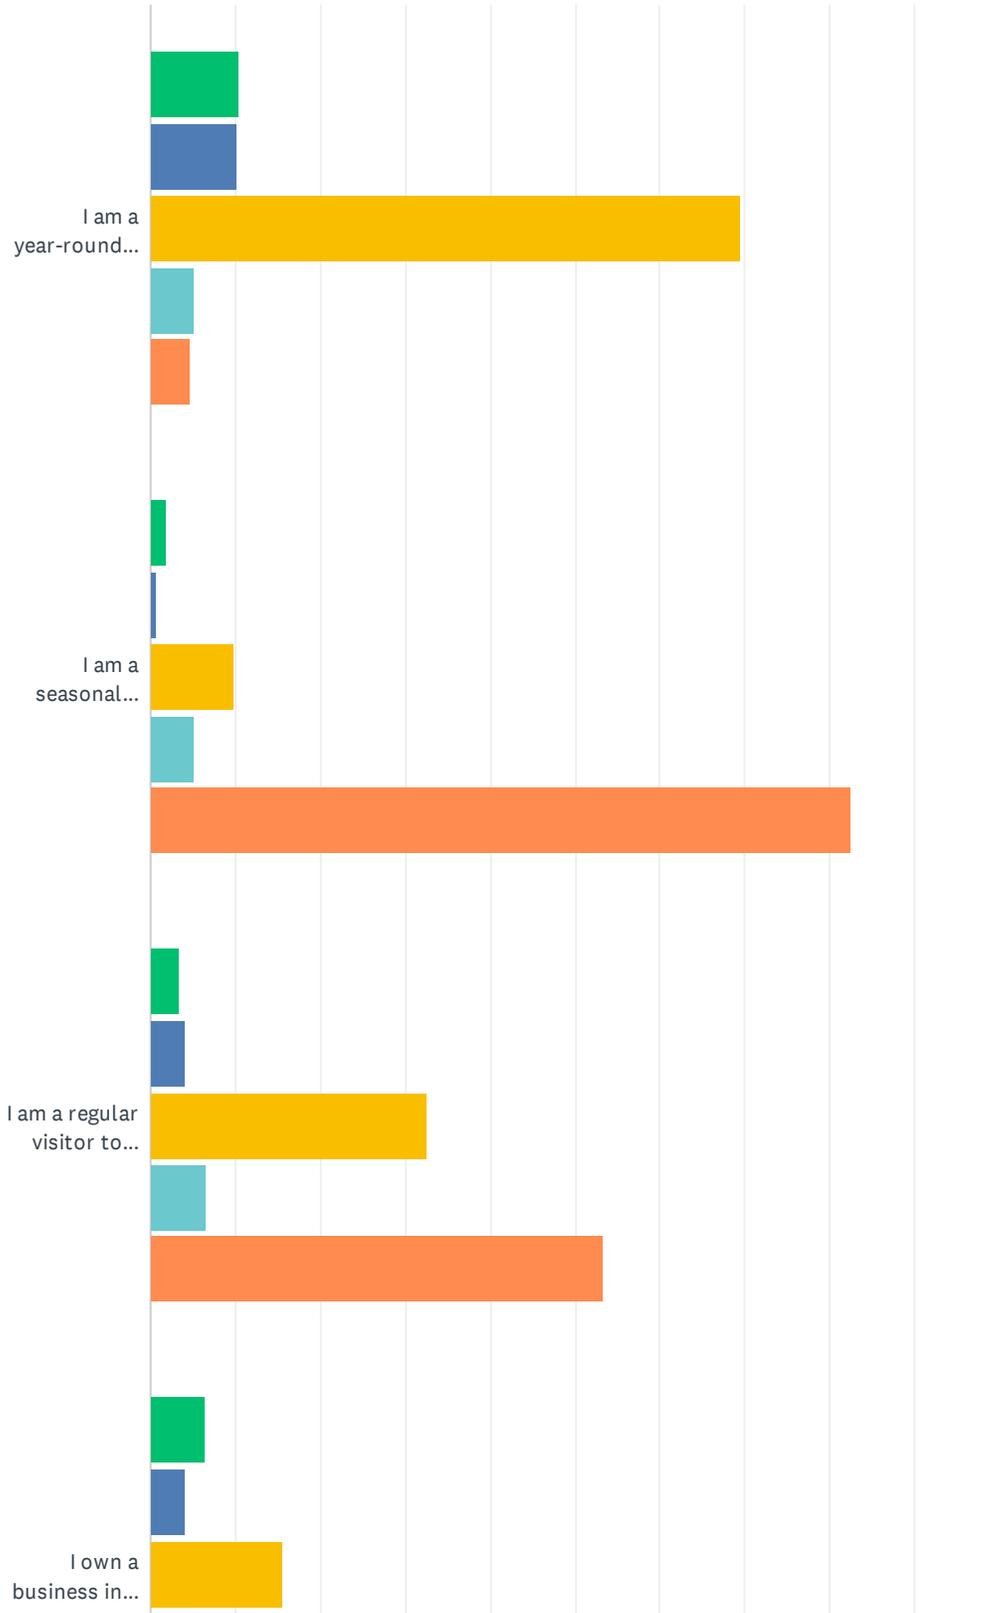

241	Same	5/17/2022 5:30 AM
242	Clean. More public access but strictly controlled.	5/17/2022 5:13 AM
243	Fewer private piers	5/16/2022 11:45 PM
244	More accessible	5/16/2022 11:10 PM
245	Still as beautiful, but better and more equitable access for residents and visitors.	5/16/2022 11:09 PM
246	I would like it to remain mainly the same . It's beauty and charm are important to me	5/16/2022 10:59 PM
247	Accessible to everyone with as much public access as possible	5/16/2022 10:45 PM
248	—	5/16/2022 10:33 PM
249	Safe in all weather	5/16/2022 10:30 PM
250	More accessible to people from all walks of life. Safe from the increasing water levels .	5/16/2022 10:07 PM
251	Access for all and a profit center for Marblehead	5/16/2022 10:04 PM
252	Much more access for the public	5/16/2022 9:56 PM
253	Protected, clean, and love by my children and their children and generations to come	5/16/2022 9:53 PM
254	Status quo	5/16/2022 9:49 PM
255	Access to “public” boating facilities not associated with a yacht club. Protected from damage by sea level rise and increase in extreme weather events	5/16/2022 9:42 PM
256	Healthy with sailing and boating for all.	5/16/2022 9:37 PM
257	Accessible to all Marblehead residents	5/16/2022 9:32 PM
258	Similar to what it is now	5/16/2022 9:29 PM
259	Sustainable for recreation and commercial access. Enforcement of existing requirements to keep marine businesses in what remaining harbor front commercial property there is. Continued work to rip-rap erosion points. Hopefully a breakwater.	5/16/2022 9:29 PM
260	A place where more people can access the water and recreate safely in human powered craft without needing to belong to a yacht club for access. Community support for environmental action and ongoing stewardship.	5/16/2022 9:29 PM
261	Clean, swimmable, fishing, sailing, kayaking	5/16/2022 9:28 PM
262	Better public access to our beautiful harbor for all types of activities including small boats that are trailered on the day of boating.	5/16/2022 9:28 PM
263	A harbor filled with boats and people on the water, largely the same as it is today.	5/16/2022 9:19 PM
264	Same	5/16/2022 9:18 PM
265	A welcoming and accessible vibrant harbor. Not merely one that houses a multitude of boats that seldom move and tie up the mooring waitlist for decades. A more diverse and equitable harbor. Many families cannot afford a club and shouldn't be required to join in order to enjoy a variety of water sports. I heard the chairman of the harbors and waters board talk about the Marblehead yacht club at town meeting. That club doesn't have equal access either meaning opportunity to participate. There's no crane, no programs or classes.	5/16/2022 9:17 PM
266	More vibrant	5/16/2022 9:15 PM
267	More moorings for residents	5/16/2022 9:14 PM
268	Beautiful	5/16/2022 9:09 PM
269	Much more accessible to all.	5/16/2022 9:02 PM
270	The same as it is today. Would be nice if there were a deep water ramp other than the Marblehead Lobster company.	5/16/2022 8:55 PM
271	More moorings.	5/16/2022 8:51 PM

Marblehead Harbor Plan

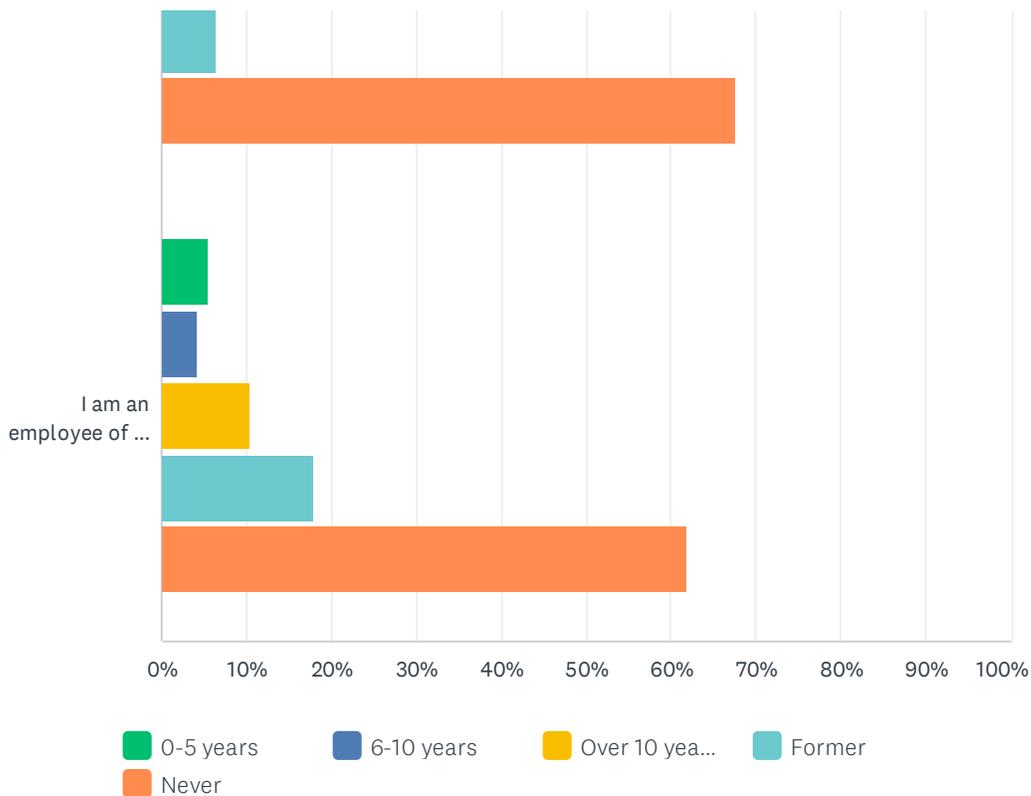

272	More activities accessible by boat	5/16/2022 8:49 PM
273	Odd question. I would honestly like the harbor to be less congested & the park and rec team to have better restroom facilities in terms of hours - it should be 24 by 7. The town has a terrific facility over at stramski we should develop and promote opportunities for Salem Harbor access versus adding additional volume to Marblehead Harbor	5/16/2022 8:46 PM
274	Vibrant	5/16/2022 8:39 PM
275	Accessible for boating and sailboat racing.	5/16/2022 8:32 PM
276	Accessible, healthy and not overly dense	5/16/2022 8:29 PM
277	I'd like my grandchildren to be able to pull up flounder off a boat in the harbor the way I was able to.	5/16/2022 7:49 PM
278	An ecological and economic example of the best harbor in the US.	5/16/2022 7:36 PM
279	Better protected from rising storm surge, and better small boat access	5/16/2022 7:23 PM
280	Accessible to all. Vibrant.	5/16/2022 7:20 PM
281	More access	5/16/2022 7:16 PM
282	A place were all of the citizen of Marblehead can access the harbor and where Marblehead is seen as a leader on harbor management.	5/16/2022 7:16 PM

Q20 Thank you for taking this survey. Do you have any questions about this planning process or is there anything else you'd like us to know about the harbor?

#	RESPONSES	DATE
1	Would any action be by vote of the Town?	6/10/2022 9:46 PM
2	you didn't ask if I support a breakwater- I do- and I would gladly support an override to fund it	6/10/2022 12:20 PM
3	Keep in the planning process the needs of those that cannot communicate in this process... but contribute greatly to the beauty and wonderful experience of being in the harbor.... ie; animals, birds, marine life, plants and rock formations.	6/10/2022 11:57 AM
4	Where with the proposed Breakwater be?	6/10/2022 8:21 AM
5	Build a breakwater	6/10/2022 6:07 AM
6	Who are the parties running this plan?	6/9/2022 8:13 AM
7	Reinvigorating Parker's to a working town sailing location would be amazing!	6/8/2022 3:51 PM
8	The harbor is, I think, the jewel in Marblehead's crown. That said, a comparatively small percentage of residents actually own a boat. The harbor should be managed by people qualified on the water and protected as an historic natural harbor of great beauty.	6/8/2022 3:31 PM
9	no	6/8/2022 2:16 PM
10	A breakwater seems unnecessary and unsightly. It would be great to re open Parker's boatyard ASAP for recreation.	6/8/2022 2:16 PM
11	Good luck. Why didn't you include Parkers Boat yard in harbor offerings?	6/8/2022 1:40 PM
12	Thanks for doing this very important work.	6/8/2022 1:38 PM

16	Please add another trawl line for the town class. It is a vibrant and growing fleet and a great way for new people to get into sailing. But the current wait list is 19 boats. There is plenty of space in the shallow water by Riverhead.	6/3/2022 7:43 PM
17	A second trawl line for the Town Class sailboats is a strong first step towards this sailing growth.	6/3/2022 9:17 AM
18	I hope that it will be possible to place another trawl line in the shallow water near the causeway. The Townie fleet continues to grow, and the shallow area near the end of the harbor is unusable by most boats - but it works for Townies.	5/31/2022 1:45 PM
19	Pls add another trawl line for Town Class. Enhance access and beauty	5/28/2022 4:33 PM
20	More trawls for small sailboats to encourage sailing and racing	5/27/2022 2:17 AM
21	I would like to see greater promotion of reasonable sailing opportunities. For example I think the trawl line for townies near back beach is terrific. I think the town should do what it can to make Marblehead a sailing community. The whalers and mid-console boats are squeezing the small sailing boats out of the harbor	5/24/2022 11:08 PM
22	The mooring waitlist is crazy long -- good that it is more fairly and openly managed in recent years.	5/24/2022 9:54 PM

Marblehead Harbor Plan

23	Thanks for doing the survey	5/24/2022 5:24 AM
24	Increased access small boats such as Townie to make entry level sailing and boat ownership possible for all	5/24/2022 3:40 AM
25	I'm disappointed that there is not more harbor access. Dinghy spots have been all but eliminated in favor of higher profit kayak spots, there is a 25 year mooring wait-list, the commercial waterfront has disappeared, as zoning has permitted more housing, resulting in fewer waterfront businesses, chandlers, boatbuilders, sail lofts, etc.	5/23/2022 10:38 PM
26	all good	5/23/2022 3:29 PM
27	Increase the use of shallow water trot lines	5/23/2022 12:25 PM
28	I am a Townie sailor. I would like to buy a boat but I am currently #12 on the waiting list for the trawl line. More trawl lines would certainly help the diversity of access to the harbor.	5/23/2022 10:26 AM
29	Add additional tow lines for small Town Class boats. This is a growing class of small boats and an entry level for new boat owners and those who want to learn to sail as well as those who are downsizing.	5/23/2022 9:23 AM
30	Our harbor is our town jewel. We need a plan that both protects it, and assures access for all, not just the privileged few.	5/23/2022 7:39 AM
31	Handicap access should be improved	5/23/2022 7:31 AM
32	Keep everything as is. The waters/launches/docks are good as is	5/22/2022 8:43 PM
33	It IS a beautiful harbor, but space is limited. Overcrowding is not good for anyone, but the ability to access the harbor with smaller boats and small sailboats is good.	5/21/2022 1:30 PM
34	How will it be publicized?	5/20/2022 2:26 PM
35	Would love another trawl line for The Town Class fleet	5/20/2022 8:29 AM
36	Imagine if the Harbors were funded as well as the school department. So many missed opportunities over the years; selling Rockmere land for Glover Landing, rejecting the lighthouse seawall, rejecting the marina at MYC, rejecting Ted Hoods offer to buy Browns Island/Graves to establish a world class yacht yard....Good Luck guys	5/19/2022 5:08 PM
37	Not at this time.	5/19/2022 5:04 PM
38	Please consider: 1. extension of the trawl for the Town Class 2. additional trawl at Brown's, or similar, for those waitlisted for the harbor 3. improvements to Parker's boat yard Thanks!	5/19/2022 2:36 PM
39	Please consider: 1. extension of the trawl for the Town Class 2. additional trawl at Brown's, or similar, for those waitlisted for the harbor 3. improvements to Parker's boat yard Thanks!	5/19/2022 2:23 PM
40	The Town Class has a trawl mooring in 2' of water at the Riverhead end of the harbor and there is plenty of room to expand it and the Harbormaster will not give us permission to do so. There is plenty of room for more trawls and the Town Class is the fastest growing one design class on the east coast. We race 4 days a week and get many people to use the harbor facilities regularly. The trawl sure looks pretty as you drive across the causeway.	5/19/2022 2:05 PM
41	This survey seemed lacking in comparison to the meeting. There are no specific areas mentioned and what the person taking the survey thought. For example, little harbor, Parker's boat yard and the other locations talked about. How can you get a feel for what residents that were unable to attend think about these areas? I hope that the dots used in this meeting are not the only votes that get cast and are on documents like the ones that were shown from the meeting that were from 2009 because there were not that many people that attended. I am also opposed to a breakwater.	5/19/2022 12:19 PM
42	what are you planning?	5/18/2022 8:42 PM
43	It would be grest if there was a walkway along the harbor. Access is very limited.	5/18/2022 8:02 PM
44	Thanks!	5/18/2022 1:27 PM
45	Not at this time. Thank you!	5/18/2022 10:55 AM

Marblehead Harbor Plan

47	I feel that the an additional Towne Class trawl should be added. I do not see a down side to this. I get comments all the time about how beautiful the Townies look at twilight on the trawl. There are 15 Townie's waiting to go sailing there is no place to put them. I do not know if you know this, the Marblehead T/C is the fastest growing fleet on the east coast. More crews racing means more business in Marblehead after the races. My wife and I go out to eat in Marblehead after every Tuesday and Thursday night races all summer. The class also brings spectators to Chandler Hovey on Sundays, Tuesdays and Thursdays.	5/18/2022 10:02 AM
48	No	5/18/2022 9:36 AM
49	Not now	5/18/2022 9:13 AM
50	Would like consideration of a second trawl line for town class or small boats with shallow draft	5/18/2022 9:02 AM
51	Please extend the trawl line for the Town Class sailboats.	5/18/2022 8:08 AM
52	I think there needs to be a better process for getting a mooring or at least more transparency in the current process	5/18/2022 7:37 AM
53	We need a breakwater to protect the harbor and will help to create more (protected) anchorage space. Expand the trawl line in low water areas for flat bottom sail and motor boats.	5/18/2022 7:35 AM
54	Leave it alone	5/18/2022 7:29 AM
55	I am a boater/racing sailor. The mooring waiting list is ridiculous. With demand for moorings as it is (intense demand), the permit fee rate could be raised to weed out the "mooring keepers". As a result of harbor/mooring crowding, there is demand for trailer-launched boat storage with crane launching for small power boats and particularly for one-design race boats. We had that until recently when the HWB closed the Marblehead Boating Center at Parker's Boatyard. The proposal to create a new public community boating facility there is sound. Look at the success of Sail Newport for an example of how it could & should be done in Marblehead, albeit on a smaller scale.	5/18/2022 6:31 AM
56	Please add another trawl mooring line for the very popular and growing Town Class	5/18/2022 12:15 AM
57	Why are additional Townie trawl's denied all the time	5/17/2022 11:47 PM
58	Marblehead should allow the Towne Class Association to expand its Trawl line. This will provide greater access to smaller affordable boats. Marblehead town folks designed this boat so that regular folks could build their own boats and hone their sail racing skills.	5/17/2022 10:21 PM
59	Just don't ignore the west shore like the H&W board has always done. Over 40% of the income comes from the west shore but they took away services and raised the rates. Horrible board. Horrible people.	5/17/2022 9:52 PM
60	I'd like to see a fundraising swim across the harbor in late September. The landing to the eastern yacht club	5/17/2022 9:19 PM
61	Extends townie trawl	5/17/2022 8:40 PM
62	I have been sailing /racing small sailboats for over 40 years in Marblehead. It is so important that we have affordable areas for small inexpensive boats. The trawl for the town class fleet has been critical to creating a vibrant affordable racing class. We need to expand it. I also think tying motorboats to floats, rather than swing on moorings would allow more boats Thanks! After over 50 years we recently sold our parents home in m'head, but we still race our little sailboat here.	5/17/2022 8:29 PM
63	Harbor employees should have jumper cables, if possible on their boats. I really love marblehead Harbor and I AM CONCERNED ABOUT THE SAFETY OF BOATERS. I AM A LICENSED CAPTAIN.	5/17/2022 7:58 PM
64	I am concerned that the entire planning process has jumped the track when I hear that Parkers Boat Yard may not be available as an access alternative for those who don't have a mooring and don't belong to a yacht club. Harbors and Waters Board should seek to better engage the Marblehead boating community.	5/17/2022 7:54 PM
65	Next up gas motors....	5/17/2022 7:34 PM
66	It would be great to have a fillet tables And working hoses at all town docks.	5/17/2022 7:21 PM
67	Would like to see add'l trawl for Townies which are the longest racing fleet in Mhead. A Mhead	5/17/2022 6:33 PM

Marblehead Harbor Plan

	tradition.	
68	Yeah, stop fucking with it. It's perfect as is.	5/17/2022 5:01 PM
69	Troubling Optics: (1) In town there is a lot of frustration about transparency of both how the harbor is managed and the controlling interests of these parties. Board members having direct commercial relationships with businesses they in practical terms oversea (ex. leases) (2) It also, seems irritating that the Parker's boat yard hasn't been maintained since it's purchase even though it was least out to a private party and is not being used for the intended purchase (3) The funding dollars from Salem Sound Coast Watch are being spend on a recently very expensive project rebuilding the Marblehead Municipal Light Dept. located in one of the least flood prone parts of the harbor. It would seem rational to focus on areas that will be negatively impacted in the next 1-5 years, not 20+ years.	5/17/2022 3:17 PM
70	The questions weren't great especially the first one it sounded like it was specific to MH harbor not MH waterfront anywhere. Maybe hire a market research person next time.	5/17/2022 1:55 PM
71	Please include the Neck in this planning process.	5/17/2022 12:49 PM
72	Is there a plan for another forum? Will we be able to access materials or a recording of last night's forum?	5/17/2022 6:54 AM
73	Making not boating access points for the public requires more parking as well. We have such a great town for biking and other avenues of transportation that I'd hate us to become a beacon of "places to drop your boat in" and just tie up our streets with trucks and trailer hitches. The recreation of beach use for non boaters is important	5/17/2022 6:20 AM
74	What's going on at Stramskis, the building should be utilized for town and public use. Or rented out for marine business or food establishment like deveureux and riverhead is.	5/17/2022 6:01 AM
75	Jersey Street needs a dock but it needs to be resident parking only on weekends.	5/17/2022 5:16 AM
76	Would like more information	5/16/2022 11:01 PM
77	Please increase the amount of float space so people can visit. Please do something like what Manchester did to increase public access. Moor ten floats together and have a shuttle so people can dock, go ashore and visit the town.	5/16/2022 10:49 PM
78	I will most likely join a yacht club but think it should be easier to launch/hoist a dry moored boat.	5/16/2022 10:35 PM
79	The majority of the people I meet in town don't see the connection between their use of sensitive areas in and along the harbor, habitat loss, and the loss of fauna and fish stocks. That needs to change.	5/16/2022 9:41 PM
80	Access to the water from every where in Marblehead needs to be looked at	5/16/2022 9:35 PM
81	Is there a way to get frequent fliers to help pay for public ramp upkeep? The beacon st ramp is trashed and 90% of its traffic is just from a couple businesses.	5/16/2022 9:33 PM
82	Additional comments: Marblehead leadership should be far more creative in their thinking about how to generate revenue to repair and maintain critical structures across the harbor like seawalls and accountability when things are allowed to come to shambles. There needs to be an actionable strategic plan for the health, maintenance and stability of Marblehead harbor.	5/16/2022 9:28 PM
83	I genuinely believe that the harbor is one of the best resources our town has and I think the town and board us done a great job managing this resource. My family has had great access and a wonderful experience living in Marblehead. To those who have helped make it what it is today, thank you.	5/16/2022 9:23 PM
84	Public lands along the waterfront should be used for bona fide public uses	5/16/2022 9:16 PM
85	all good!	5/16/2022 7:37 PM
