The following guidelines for boating and various other marine and inland waterway related activities supersede and replace guidelines issued by the Executive Office of Energy and Environmental Affairs on May 18, 2020. These guidelines remain in effect until rescinded.

This guidance should apply until amended or rescinded. Any questions regarding this guidance can be sent to outdoor.recreation@mass.gov

**DPH Orders and Guidelines**

**Face Coverings and Masks:** All visitors to parks and open space, as well as those participating in outdoor education programs should comply with COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible. The order requires any person over the age of 2, whether indoors or outdoors, to wear a face covering or mask when they cannot maintain 6 feet of distance between themselves and others, unless they have a medical condition preventing them from doing so.

**Group Size:** No groups larger than 10 are allowed to gather: https://www.mass.gov/doc/march-31-2020-assemblage-guidance/download

**Inland Boat Ramps and Canoe Launches:**

- Inland boat ramps and canoe launches within state parks, forests, wildlife management areas, boating access facilities and other state-owned properties managed
by the Commonwealth of Massachusetts remain open to all users, except where the
access has already been closed due to parking restrictions or other restrictions.
❖ All other inland boat ramps that are currently managed by
municipalities remain open subject to the discretion of the city or town.

User Guidelines:
❖ Ramps remain open subject to available parking. A ramp will be considered closed if all
parking is full. Illegally parked cars will be ticketed and may be towed.
❖ All boat ramp and canoe launch users shall practice social distancing. Users should
allow appropriate space for users of the boat ramp or launch and clear the ramp when
users launch is complete.
❖ Users should ensure they are ready to depart quickly from the ramp or dock as soon as
their boat is put into the water. Users not actively launching their boat should clear the
launch area.
❖ Upon return to ramp, users should load their boat as quickly as safely possible and then
clear the launch area.
❖ Use of ramps for organized fishing tournaments, derbies, or any other type of gathering
are prohibited, unless such tournament or derby is remote/virtual and follows the
following guidelines:
   • Tournament/Derby organizer(s) formulates a virtual plan for fish measuring
      and price allocation (includes online registration, catch entries, and awards).
   • Weigh ins conducted virtually or if in-person, then outdoors and maintaining
      social distancing and group size limits.
   • No gatherings of more than 10 people are allowed at any time before, during
      or after.
   • All participants must provide their own gear.
   • Shore anglers must adhere to all social distancing guidelines. The use of
      multiple water bodies to appropriately distance individuals is strongly
      encouraged.
❖ Loitering on ramps or in parking areas or use of ramps for any activity other than
launching boats is prohibited. Parking at ramps for activities other than launching boats
is prohibited.
❖ Face coverings are required for all workers and customers in accordance with Covid-19
Order 31: *Order Requiring Face Coverings in Public Places Where Social Distancing is
Not Possible* to prevent against the transmission of Covid-19.
Coastal Boat Ramps:

- For commercial, state and municipal uses, coastal boat ramps will remain open to all users.
- For recreational use, coastal boat ramps managed by the Commonwealth of Massachusetts remain open to all users.
- All other coastal boat ramps currently managed by municipalities remain open to all users for recreational use subject to the discretion of the city or town.

User Guidelines:

- Coastal boat ramp parking lots are open for users launching boats, canoes and kayaks, and associated parking. Parking for the purpose of accessing coastal beaches is prohibited.
- All boat ramp and canoe launch users shall practice social distancing. Users should allow appropriate space for users of the boat ramp or launch and clear the ramp immediately when their launch is complete.
- Users should ensure they are ready to depart quickly from the ramp or dock as soon as their boat is put into the water. Users not actively launching their boat should clear the launch area.
- Upon return to ramp, users should load their boat as quickly as safely possible and then clear the launch area.
- Use of ramps for organized fishing tournaments, derbies, or any other type of gathering is prohibited, unless the guidance indicated above is followed.
- Loitering on ramps or in parking area or use of ramps for any activity other than launching boats is prohibited. Parking at ramps for activities other than launching boats is prohibited.
- Face coverings are required for all workers and customers in accordance with Covid-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible to prevent against the transmission of Covid-19.

Recreational boating:

The safe operation of recreational boats is permitted under the following guidelines:

- No more than 10 people may be in a boat at one time and social distancing guidelines must be followed
- All users while on boat ramps, docks, piers etc., shall follow social distancing.
All recreational crafts shall remain a safe distance apart. Tying boats or other crafts together is prohibited.

All recreational boating is subject to the discretion of local officials, harbormasters, and law enforcement.

All local rules, regulations, laws and Coast Guard requirements still apply.

**Commercial Boating:**

The safe operation of commercial boats is permitted under the following guidelines:

- Maritime transportation workers, including dredgers, port workers, mariners, ship crewmembers, ship pilots and tugboat operators, equipment operators (to include maintenance and repair, and maritime-specific medical providers), ship supply, chandler, and repair companies have all been deemed essential services under the Governor’s orders.

- Commercial fishing is an essential part of the food supply chain and will continue to be allowed. Workers should follow public health guidance to minimize interactions with each other and the public.

- All local rules, regulations, laws and Coast Guard requirements still apply.
