Narrative Description

Accessory Dwelling Unit (ADU) Application

6 Foster Street Marblehead, MA 01945

The Applicant proposes the construction of a Accessory Dwelling Unit (ADU) to be located on the second floor of an existing detached garage that will be demolished and re-constructed within the same footprint as existing. The ADU will contain one bedroom, one bathroom, one living room with an eat-in kitchen and office space. The total habitable space of the ADU will be 977 square feet. The ADU will be accessed via the existing driveway with no additional curb cut required. The proposal includes an exterior parking area for the ADU, as well as three interior garage spaces for use by the occupants of the primary residence and the occupants of the ADU.

The location, topography and grade of the lot are such that the ADU will have no adverse effects on abutters and is designed to maintain privacy. The main entrance and second floor balcony for the ADU will be facing in the direction of the principal structure on the lot and away from the street or abutters. There are no proposed exterior stairs. The parking area for the ADU will also be located on the opposite side of the ADU from the street. Therefore, the parking of vehicles and entering and exiting of the ADU by occupants will be discrete and not visible from the street.
