

**MARCH 21, 2023**

## **PUBLIC MEETING ON ZOOM**

Marblehead's Hazard Mitigation Planning Committee needs the Public's help completing the Town's Hazard Mitigation Plan. This plan serves as a strategy for reducing current and future risks of natural hazards and climate change. The public is invited to share their ideas for reducing impacts associated with natural hazards and to learn about the updated plan. Approved by FEMA, the plan allows the Town to apply for pre-disaster mitigation grant funding.
